The Covenant Of Water Summary

**Broken for You** - Stephanie Kallos 2007-12-01
“A dazzling mosaic of intersecting lives and fates . . . Comparisons to John Irving and Tennessee Williams would not be amiss in this show-stopping debut” (Kirkus Reviews, starred review). The national bestseller and Today Show Book Club selection, Broken for You is the story of two women in self-imposed exile whose lives are transformed when their paths intersect . . . When we meet septuagenarian Margaret Hughes, she is living alone in a mansion in Seattle with only a massive collection of valuable antiques for company. Enter Wanda Schultz, a young woman with a broken heart who has come west to search for her wayward boyfriend. Both women are guarding dark secrets and have spent many years building up protective armor against the outside world. As their tentative friendship evolves, the armor begins to fall away and Margaret opens her house to the younger woman. This launches a series of unanticipated events, leading Margaret to discover a way to redeem her cursed past, and Wanda to learn the true purpose of her cross-country journey. “I absolutely fell in love with this book. . . . There is a message here about creating family in the most unusual places. . . . A wonderful, engaging story.” —Sue Monk Kidd, New York Times–bestselling author of The Secret Life of Bees “Well-crafted plotting and crackling wit make this debut novel by Seattle author Kallos a delight to read and a memory to savor . . . Book groups will enjoy discussing the layers of meaning, the stylistic nuances, and the powerful message of hope secreted in these pages.” —Booklist (starred review)

**Sacred Hunger** - Barry Unsworth 2012-01-10
Winner of the Booker Prize A historical novel set in the eighteenth century, Sacred Hunger is a stunning, engrossing exploration of power, domination, and greed in the British Empire as it entered fully into the slave trade and spread it throughout its colonies. Barry Unsworth follows the failing fortunes of William Kemp, a merchant pinning his last chance to a slave ship; his son who needs a fortune because he is in love with an upper-class woman; and his nephew who sails on the ship as its doctor because he has lost all he has loved. The voyage meets its demise when disease spreads among the slaves and the captain's drastic response provokes a mutiny. Joining together, the sailors and the slaves set up a secret, utopian society in the wilderness of Florida, only to await the vengeance of the single-minded, young Kemp.

**The Covenant of Water** - Abraham Verghese 2023
From the New York Times-bestselling author of Cutting for Stone comes a stunning and magisterial epic of love, faith, and medicine, set in Kerala, South India, and following three generations of a family seeking the answers to a strange secret The Covenant of Water is the long-awaited new novel by Abraham Verghese, the author of the major word-of-mouth
bestseller Cutting for Stone, which has sold over 1.5 million copies in the United States alone and remained on the New York Times bestseller list for over two years. Spanning the years 1900 to 1977, The Covenant of Water is set in Kerala, on South India's Malabar Coast, and follows three generations of a family that suffers a peculiar affliction: in every generation, at least one person dies by drowning—and in Kerala, water is everywhere. At the turn of the century, a twelve-year-old girl from Kerala's long-existing Christian community, grieving the death of her father, is sent by boat to her wedding, where she will meet her forty-year-old husband for the first time. From this unforgettable new beginning, the young girl—and future matriarch, known as Big Ammachi—will witness unthinkable changes over the span of her extraordinary life, full of joy and triumph as well as hardship and loss, her faith and love the only constants. A shimmering evocation of a bygone India and of the passage of time itself, The Covenant of Water is a hymn to progress in medicine and to human understanding, and a humbling testament to the difficulties undergone by past generations for the sake of those alive today. It is one of the most masterful literary novels published in recent years.

The Sweetness of Water - Nathan Harris 2022-03-29
LONGLISTED FOR THE 2021 BOOKER PRIZE AND SHORTLISTED FOR THE 2022 DYLAN THOMAS PRIZE A NEW YORK TIMES BESTSELLER 2021, OPRAH BOOK CLUB PICK AND BARACK OBAMA SELECTION 'A fine, lyrical novel, impressive in its complex interweaving of the grand and the intimate, of the personal and political' Observer Landry and Prentiss are two brothers born into slavery, finally freed as the American Civil War draws to its bitter close. Cast into the world without a penny to their names, their only hope is to find work in a society that still views them with nothing but intolerance. Farmer George Walker and his wife Isabelle are reeling from a loss that has shaken them to their core. After a chance encounter, they agree to employ the brothers on their land, and slowly the tentative bonds of trust begin to blossom between the strangers. But this sanctuary survives on a knife's edge, and it isn't long before a tragedy causes the inhabitants of the nearby town to turn their suspicion onto these new friendships, with devastating consequences. '[A] highly accomplished debut' Sunday Times Readers have been swept away by The Sweetness of Water: 'Such a powerful, magnificent book; I urge you to read it. The comparisons with Colson Whitehead are justified' ***** 'A staggering debut and a story that stays with you' ***** 'Thought-provoking and moving . . . a gripping and compelling novel that exposes flaws, mixed emotions and imperfect relationships, and yet it holds on with determination and hope. It fully deserves a 5-star rating' ***** 'Outstanding . . . A book that deserves widespread recognition and a wide audience' *****

Cutting for Stone - Abraham Verghese 2012-05-17
Marion and Shiva Stone are twin brothers born of a secret union between a beautiful Indian nun and a brash British surgeon. Orphaned by their mother’s death and their father’s disappearance and bound together by a preternatural connection and a shared
fascination with medicine, the twins come of age as Ethiopia hovers on the brink of revolution. Moving from Addis Ababa to New York City and back again, Cutting for Stone is an unforgettable story of love and betrayal, medicine and ordinary miracles—and two brothers whose fates are forever intertwined.

The Color of Water - James McBride 2012-03-01
From the New York Times bestselling author of Deacon King Kong and The Good Lord Bird, winner of the National Book Award for Fiction: The modern classic that Oprah.com calls one of the best memoirs of a generation and that launched James McBride's literary career. More than two years on The New York Times bestseller list. As a boy in Brooklyn's Red Hook projects, James McBride knew his mother was different. But when he asked her about it, she'd simply say 'I'm light-skinned.' Later he wondered if he was different too, and asked his mother if he was black or white. 'You're a human being! Educate yourself or you'll be a nobody!' she snapped back. And when James asked about God, she told him 'God is the color of water.' This is the remarkable story of an eccentric and determined woman: a rabbi's daughter, born in Poland and raised in the Deep South who fled to Harlem, married a black preacher, founded a Baptist church and put twelve children through college. A celebration of resilience, faith and forgiveness, The Color of Water is an eloquent exploration of what family really means.

The Dearly Beloved - Cara Wall 2019-08-13
“This gentle, gorgeously written book may be one of my favorites ever.” —Jenna Bush Hager (A Today show “Read with Jenna” Book Club Selection!) “A thoughtful, beautiful multigenerational novel about love, God, jealousy, and friendship.” —Elizabeth Gilbert, author of Eat, Pray, Love “A moving portrait of love and friendship set against a backdrop of social change.” —The New York Times Book Review (Editor’s Choice) “Here is the power of the novel in its simplest, richest form: bearing intimate witness to human beings grappling with their faith and falling in love. That Wall executes it so beautifully? Well, this is exactly why we read literary fiction...The best book about faith in recent memory.” —Entertainment Weekly (A-) Charles and Lily, James and Nan. They meet in Greenwich Village in 1963 when Charles and James are jointly hired to steward the historic Third Presbyterian Church through turbulent times. Their personal differences however, threaten to tear them apart. Charles is destined to succeed his father as an esteemed professor of history at Harvard, until an unorthodox lecture about faith leads him to ministry. How then, can he fall in love with Lily—fiercely intellectual, elegantly stern—after she tells him with certainty that she will never believe in God? And yet, how can he not? James, the youngest son in a hardscrabble Chicago family, spent much of his youth angry at his alcoholic father and avoiding his anxious mother. Nan grew up in Mississippi, the devout and beloved daughter of a minister and a debutante. James’s escape from his desperate circumstances leads him to Nan and, despite his skepticism of hope in all its forms, her gentle, constant faith changes the course of his life. In The Dearly Beloved, we follow
these two couples through decades of love and friendship, jealousy and understanding, forgiveness and commitment. Against the backdrop of turbulent changes facing the city and the church’s congregation, these four forge improbable paths through their evolving relationships, each struggling with uncertainty, heartbreak, and joy. A poignant meditation on faith and reason, marriage and children, and the ways we find meaning in our lives, Cara Wall’s The Dearly Beloved is a gorgeous, wise, and provocative novel that is destined to become a classic.

Blue Covenant - Maude Barlow 2009-05-01
A cautionary account of climate change and the global water supply. “You will not turn on the tap in the same way after reading this book.” —Robert Redford In a book hailed by Publishers Weekly as a “passionate plea for access-to-water activism,” Blue Covenant addresses an environmental crisis that—together with global warming—poses one of the gravest threats to our survival. How did the world’s most vital resource become imperiled? And what must we do to pull back from the brink? In “stark and nearly devastating prose”, world-renowned activist and bestselling author Maude Barlow—who is featured in the acclaimed documentary Flow—discusses the state of the world’s water. Barlow examines how water companies are reaping vast profits from declining supplies, and how ordinary people from around the world have banded together to reclaim the public’s right to clean water, creating a grassroots global water justice movement. While tracing the history of international battles for the right to water, she documents the life-and-death stakes involved in the fight and lays out the actions that we as global citizens must take to secure a water-just world for all (Booklist). “Sounds the water alarm with conviction and authority.” —Kirkus Reviews “This book proves that water deserves another destiny.” —Eduardo Galeano “Blue Covenant will inspire civil society movements around the world.” —Vandana Shiva

Chapter astute outline of the main contents. Fast & simple understanding of the content
analysis. Exceptionally summarized content that you may skip in the original book The Covenant of Water is a novel by Abraham Verghese, the author of Cutting for Stone. It follows three generations of a family in Kerala, South India, who suffer from a peculiar affliction: at least one person dies by drowning. At the turn of the century, a twelve-year-old girl is sent by boat to her wedding, where she will meet her forty-year-old husband for the first time. The novel is a hymn to progress in medicine and human understanding, and a testament to the difficulties undergone by past generations for the sake of those alive today.

The UN Sustainable Development Goals - Ilias Bantekas 2023-10-26
In September 2015, the United Nations General Assembly adopted the 17 Sustainable Development Goals (SDGs). This historic document constituted a transformative 'plan for action for people, planet and prosperity' with regards to the sustainable development efforts of all countries. The Sustainable Development Goals serves as an expert compendium, the most authoritative ready-reference tool for anyone interested in the SDGs. Each chapter comprises a detailed target-by-target analysis of one of the SDGs, including a methodical analysis of the preparatory proceedings that shaped each goal in its present form, an exhaustive examination of their content, and a critical assessment from an international law perspective. This commentary provides readers with the most up-to-date information on normative and legal questions arising from the incorporation of the SDGs into the international economic, social, and environmental legal frameworks, and on their implementation status. Scholars, practitioners, and those interested in the fields of law, politics, development, economics, environmental studies, and global governance will find this book a must-read.

Fire of the Covenant - Gerald N. Lund 2005
In the summer of 1856, three companies of handcarts were outfitted and sent west from Iowa to the Valley of the Great Salt Lake. All went well, and they arrived without undue incident. But two additional companies - one captained by James G. Willie, and the other by Edward Martin - left England late in the season. Whey they arrived at Iowa City, they were long past the time for safe departure across the plains. By the time they left Florence, Nebraska, with still more than a thousand miles to go, it was near the end of August. As if that were not serious enough, President Brigham Young thought that the arrival of the third company ended the migration for that season and ordered the resupply wagons back to Salt Lake. Fire of the Covenant is the story of those handcart pioneers and their exodus to the Salt Lake Valley. Author Gerald N. Lund has used the same techniques present in The Work and the Glory series to blend fictional characters into the tapestry of actual historical events, making this a story filled with all the elements of great drama - tragedy, triumph, pathos, courage, sacrifice, surrender and faith.

Summary of The Covenant of Water - Francis Thomas 2023-05-28
Summary of The Covenant of Water of Abraham Verghese's novel, "The Covenant of
"Water," setting the stage for a sprawling family saga that spans three generations and encompasses themes of death, faith, and love in a changing India. The chapter takes place in 1900 in Travancore, South India, and follows the story of a twelve-year-old girl named Mariamma, belonging to a long-standing Christian community, as she prepares to marry a widower who is three decades older and has a young son. Mariamma, also known as Big Ammachi, contemplates the life she is leaving behind as she bids farewell to her only home and expresses her thoughts through writing. Verghese paints a vivid picture of the landscape of Travancore, where the convergence of the sea and white beaches merges with meandering rivers flowing down the lush slopes of the Ghats. It is a land of enchantment for a child, with cascading torrents, rippling waterways, intricate pools and canals, a labyrinthine network of swamps and emerald lotus wetlands, and an extensive interconnected system where water is ever-present and integral to the lives of its inhabitants. Before delving deeper into the main narrative of the book, it is crucial to comprehend the history of Kerala, situated at the tip of the Indian peninsula. Verghese explores the historical backdrop of this region located along the Malabar coast, emphasizing its rich cultural heritage that has evolved over centuries. Kerala is renowned for its picturesque lagoons and wetlands, which profoundly influence the way of life for its people. Religion holds significant sway in Kerala's culture, with Hinduism, Christianity, and Islam being the dominant faiths. Through the novel, readers gain profound insights into Kerala's history and culture. Among the notable themes explored in the book are the drownings, a frequent occurrence in Kerala due to its geographical features. The lagoons and wetlands of Kerala created a perilous environment, often leading to tragic accidents, especially among the fishermen who relied on these waterways for their livelihoods. Religion played a crucial role in shaping Kerala's history and culture, with Hinduism holding dominance until the arrival of Christianity and Islam. The book explores the various religious influences in the region and their profound impact on the way of life. Christianity, in particular, has left a lasting imprint on Kerala's culture, which is still evident today. Kerala's unique culture is shaped not only by its religious aspects but also by its political, social, philosophical, and spiritual dimensions. The region has witnessed the rule of different authorities, including the enduring influence of British colonialism. The book sheds light on the struggles faced by the people under British supremacy, including acts of violence and crimes perpetrated against them. The heritage and traditions of Kerala have been passed down through generations, and the book provides a comprehensive understanding of the community, their way of life, and their beliefs. It delves into the rituals and moral codes deeply ingrained in the cultural fabric of the people. Kerala's cuisine, known for its utilization of bananas, beef, coconut, and fish as staple ingredients, is renowned. The book also explores the vibrant and colorful traditional clothing that reflects the region's cultural identity. Here is a Preview of What You Will Get: - A Detailed Introduction - A Comprehensive Chapter by Chapter Summary - Etc Get a copy of this

**My Own Country** - Abraham Verghese 1995-04-25

Nestled in the Smoky Mountains of eastern Tennessee, the town of Johnson City had always seemed exempt from the anxieties of modern American life. But when the local hospital treated its first AIDS patient, a crisis that had once seemed an “urban problem” had arrived in the town to stay. Working in Johnson City was Abraham Verghese, a young Indian doctor specializing in infectious diseases. Dr. Verghese became by necessity the local AIDS expert, soon besieged by a shocking number of male and female patients whose stories came to occupy his mind, and even take over his life. Verghese brought a singular perspective to Johnson City: as a doctor unique in his abilities; as an outsider who could talk to people suspicious of local practitioners; above all, as a writer of grace and compassion who saw that what was happening in this conservative community was both a medical and a spiritual emergency.

**Thirst** - Scott Harrison 2018-10-02
NEW YORK TIMES BESTSELLER • An inspiring personal story of redemption, second chances, and the transformative power within us all, from the founder and CEO of the nonprofit charity: water. At 28 years old, Scott Harrison had it all. A top nightclub promoter in New York City, his life was an endless cycle of drugs, booze, models—repeat. But 10 years in, desperately unhappy and morally bankrupt, he asked himself, "What would the exact opposite of my life look like?" Walking away from everything, Harrison spent the next 16 months on a hospital ship in West Africa and discovered his true calling. In 2006, with no money and less than no experience, Harrison founded charity: water. Today, his organization has raised over $400 million to bring clean drinking water to more than 10 million people around the globe. In Thirst, Harrison recounts the twists and turns that built charity: water into one of the most trusted and admired nonprofits in the world. Renowned for its 100% donation model, bold storytelling, imaginative branding, and radical commitment to transparency, charity: water has disrupted how social entrepreneurs work while inspiring millions of people to join its mission of bringing clean water to everyone on the planet within our lifetime. In the tradition of such bestselling books as Shoe Dog and Mountains Beyond Mountains, Thirst is a riveting account of how to build a better charity, a better business, a better life—and a gritty tale that proves it’s never too late to make a change. 100% of the author’s net proceeds from Thirst will go to fund charity: water projects around the world.

**Icy Sparks** - Gwyn Hyman Rubio 2001-03-08
A New York Times Notable Book and the March 2001 selection of Oprah's Book Club® ! Icy...
Sparks is the sad, funny and transcendent tale of a young girl growing up in the mountains of Eastern Kentucky during the 1950’s. Gwyn Hyman Rubio’s beautifully written first novel revolves around Icy Sparks, an unforgettable heroine in the tradition of Scout in To Kill a Mockingbird or Will Treed in Cold Sassy Tree. At the age of ten, Icy, a bright, curious child orphaned as a baby but raised by adoring grandparents, begins to have strange experiences. Try as she might, her "secrets"—verbal croaks, groans, and physical spasms—keep afflicting her. As an adult, she will find out she has Tourette’s Syndrome, a rare neurological disorder, but for years her behavior is the source of mystery, confusion, and deep humiliation. Narrated by a grown up Icy, the book chronicles a difficult, but ultimately hilarious and heartwarming journey, from her first spasms to her self-acceptance as a young woman. Curious about life beyond the hills, talented, and energetic, Icy learns to cut through all barriers—physical, mental, and spiritual—in order to find community and acceptance. Along her journey, Icy faces the jeers of her classmates as well as the malevolence of her often-ignorant teachers—including Mrs. Stilton, one of the most evil fourth grade teachers ever created by a writer. Called willful by her teachers and "Frog Child" by her schoolmates, she is exiled from the schoolroom and sent to a children’s asylum where it is hoped that the roots of her mysterious behavior can be discovered. Here Icy learns about difference—her own and those who are even more scarred than she. Yet, it isn’t until Icy returns home that she really begins to flower, especially through her friendship with the eccentric and obese Miss Emily, who knows first-hand how it feels to be an outcast in this tightly knit Appalachian community. Under Miss Emily’s tutelage, Icy learns about life’s struggles and rewards, survives her first comical and heartbreaking misadventure with romance, discovers the healing power of her voice when she sings, and ultimately—takes her first steps back into the world. Gwyn Hyman Rubio’s Icy Sparks is a fresh, original, and completely redeeming novel about learning to overcome others’ ignorance and celebrate the differences that make each of us unique.

River, Cross My Heart - Breena Clarke 2017-08-01
The acclaimed bestseller -- a selection of Oprah's Book Club -- that brings vividly to life the Georgetown neighborhood of Washington, DC, circa 1925, and a community reeling from a young girl's tragic death. When five-year-old Clara Bynum drowns in the Potomac River under a seemingly haunted rock outcropping known locally as the Three Sisters, the community must reconcile themselves to the bitter tragedy. Clarke powerful charts the fallout from Clara's death on the people she has left behind: her parents, Alice and Willie Bynum, torn between the old world of their rural North Carolina home and the new world of the city; the friends and relatives of the Bynum family in the Georgetown neighborhood they now call home; and, most especially, Clara's sister, ten-year-old Johnnie Mae, who is
thrust into adolescence and must come to terms with the terrible and confused emotions stirred by her sister's death. This highly accomplished debut novel reverberates with ideas, impassioned lyricism, and poignant historical detail as it captures an essential and moving portrait of the Washington, DC community.

**Broken for You**
Stephanie Kallos 2007-12-01 “A dazzling mosaic of intersecting lives and fates . . . Comparisons to John Irving and Tennessee Williams would not be amiss in this show-stopping debut” (Kirkus Reviews, starred review). The national bestseller and Today Show Book Club selection, Broken for You is the story of two women in self-imposed exile whose lives are transformed when their paths intersect . . . When we meet septuagenarian Margaret Hughes, she is living alone in a mansion in Seattle with only a massive collection of valuable antiques for company. Enter Wanda Schultz, a young woman with a broken heart who has come west to search for her wayward boyfriend. Both women are guarding dark secrets and have spent many years building up protective armor against the outside world. As their tentative friendship evolves, the armor begins to fall away and Margaret opens her house to the younger woman. This launches a series of unanticipated events,
leading Margaret to discover a way to redeem her cursed past, and Wanda to learn the true purpose of her cross-country journey. “I absolutely fell in love with this book . . . There is a message here about creating family in the most unusual places. . . . A wonderful, engaging story.” —Sue Monk Kidd, New York Times–bestselling author of The Secret Life of Bees “Well-crafted plotting and crackling wit make this debut novel by Seattle author Kallos a delight to read and a memory to savor . . . Book groups will enjoy discussing the layers of meaning, the stylistic nuances, and the powerful message of hope secreted in these pages.” —Booklist (starred review)

The Tennis Partner
Abraham Verghese 2023-12-12 An unforgettable, illuminating story of how men live and how they survive, from Abraham Verghese, the acclaimed New York Times bestselling author of Cutting for Stone and The Covenant of Water, an Oprah's Book Club Pick. “Heartbreaking. . . . Indelible and haunting, [The Tennis Partner] is an elegy to friendship found, and an ode to a good friend lost.”—The Boston Globe When Abraham Verghese, a physician whose marriage is unraveling, relocates to El Paso, Texas, he hopes to make a fresh start as a staff member at the county hospital. There he meets David Smith, a medical student recovering from drug addiction, and the two men begin a tennis ritual that allows them to shed their inhibitions and find security in the sport they love and with each other. This friendship between doctor and intern grows increasingly rich and complex, more intimate than two men usually allow. Just when it seems nothing can go wrong, the dark beast from David’s past emerges once again—and almost everything Verghese has come to trust and believe in is threatened as David spirals out of control.

River, Cross My Heart
Breena Clarke 2017-08-01 The acclaimed bestseller -- a selection of Oprah's Book Club -- that brings vividly to life the Georgetown neighborhood of Washington, DC, circa 1925, and a community reeling from a young girl's tragic death. When five-year-old Clara Bynum drowns in the Potomac River under a seemingly haunted rock outcropping known locally as the Three Sisters, the community must reconcile themselves to the bitter tragedy. Clarke powerful charts the fallout from Clara's death on the people she has left behind: her parents, Alice and Willie Bynum, torn between the old world of their rural North Carolina home and the new world of the city; the friends and relatives of the Bynum family in the Georgetown neighborhood they now call home; and, most especially, Clara's sister, ten-year-old Johnnie Mae, who is thrust into adolescence and must come to terms with the terrible and confused emotions stirred by her sister's death. This highly accomplished debut novel reverberates with ideas, impassioned lyricism, and poignant historical detail as it captures an essential and moving portrait of the Washington, DC community.
**Covenant**

BRANDON MASSEY 2017-06-10 From the award-winning author of Dark Corner and The Other Brother comes an unforgettable thriller of family secrets, toxic faith, and high-tech suspense. On a golden summer morning, fifteen-year-old Anthony Thorne is on a fishing boat with his father, rods cast into the lake, when the crack of a rifle shatters the silence. His father slumps forward, blood leaking from his chest. Horrified, Anthony spins in the direction of the gunfire, and sees a shadowy figure race away from the shore and vanish in the cover of the trees—a vision that will haunt him for years to come . . . Anthony pulls his dad into his arms, but he is beyond help. He dies in Anthony’s embrace, Anthony’s scream of anguish echoing across the still waters. Fifteen years later, a happily married Marine veteran and author of a bestselling series of crime novels, Anthony has achieved a measure of success. But the past still haunts him—in spite of his eyewitness testimony, his father’s murder was declared a hunting accident, and no one was ever brought to justice. On the anniversary of his father’s death, a mysterious message arrives from an unknown sender that promises to lead Anthony to the truth. But is Anthony's helper the angel he'd been waiting for—or a devil in disguise? Determined to find answers, Anthony and his wife soon find themselves hunted by a team of assassins dispatched by a powerful organization with frightening technological resources. The killers pursuing them are as fanatical in their beliefs as they are well-equipped—loyal followers of a charismatic leader who might be the most dangerous man in America . . . Lightning-paced and gripping from the first sentence to the explosive finale, Covenant marks Brandon Massey’s entry into the arena of high-stakes action thrillers—a story exploring today’s issues that will resonate with readers long after they’ve turned the last page.

**Lamentation**

Ken Scholes 2009-02-17 This remarkable first novel from award-winning short fiction writer Ken Scholes will take readers away to a new world—an Earth so far in the distant future that our time is not even a memory; a world where magick is commonplace and great areas of the planet are impassable wastes. But human nature hasn't changed through the ages: War and faith and love still move princes and nations. In Lamentation, the first entry in the Psalm of Isaak series, an ancient weapon has completely destroyed the city of Windwir. From many miles away, Rudolfo, Lord of the Nine Forest Houses, sees the terrifying column of smoke rising. He knows that war is coming to the Named Lands. Nearer to the Devastation, a young apprentice is the only survivor of the city—he sat waiting for his father outside the walls, and was transformed as he watched everyone he knew die in an instant. Soon all the Kingdoms of the Named Lands will be at each others' throats, as alliances are challenged and hidden plots are uncovered. The Psalms of Isaak #1 Lamentation #2 Canticle #3 Antiphon #4 Requiem #5 Hymn At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Covenant
James A. Michener 2014-03-18
James A. Michener’s masterly chronicle of South Africa is an epic tale of adventurers, scoundrels, and ministers, the best and worst of two continents who carve an empire out of a vast wilderness. From the Java-born Van Doorn family tree springs two great branches: one nurtures lush vineyards, the other settles the interior to become the first Trekboers and Afrikaners. The Nxumalos, inhabitants of a peaceful village unchanged for centuries, unite warrior tribes into the powerful Zulu nation. And the wealthy Saltwoods are missionaries and settlers who join the masses to influence the wars and politics that ravage a nation. Rivalries and passions spill across the land of The Covenant, a story of courage and heroism, love and loyalty, and cruelty and betrayal, as generations fight to forge a new world. BONUS: This edition includes an excerpt from James A. Michener's Hawaii. Praise for The Covenant “A prodigious endeavor . . . Nowhere else could an American reader unfamiliar with South Africa get so full an understanding of its problems in so engaging a form.”—The New York Times Book Review

The Dearly Beloved
Cara Wall 2019-08-13
“This gentle, gorgeously written book may be one of my favorites ever.” —Jenna Bush Hager (A Today show “Read with Jenna” Book Club Selection!) “A thoughtful, beautiful multigenerational novel about love, God, jealousy, and friendship.” —Elizabeth Gilbert, author of Eat, Pray, Love “A moving portrait of love and friendship set against a backdrop of social change.” —The New York Times Book Review (Editor’s Choice) “Here is the power of the novel in its simplest, richest form: bearing intimate witness to human beings grappling with their faith and falling in love. That Wall executes it so beautifully? Well, this is exactly why we read literary fiction...The best book about faith in recent memory.” —Entertainment Weekly (A-) Charles and Lily, James and Nan. They meet in Greenwich Village in 1963 when Charles and James are jointly hired to steward the historic Third Presbyterian Church through turbulent times. Their personal differences
however, threaten to tear them apart. Charles is destined to succeed his father as an esteemed professor of history at Harvard, until an unorthodox lecture about faith leads him to ministry. How then, can he fall in love with Lily—fiercely intellectual, elegantly stern—after she tells him with certainty that she will never believe in God? And yet, how can he not? James, the youngest son in a hardscrabble Chicago family, spent much of his youth angry at his alcoholic father and avoiding his anxious mother. Nan grew up in Mississippi, the devout and beloved daughter of a minister and a debutante. James’s escape from his desperate circumstances leads him to Nan and, despite his skepticism of hope in all its forms, her gentle, constant faith changes the course of his life. In The Dearly Beloved, we follow these two couples through decades of love and friendship, jealousy and understanding, forgiveness and commitment. Against the backdrop of turbulent changes facing the city and the church’s congregation, these four forge improbable paths through their evolving relationships, each struggling with uncertainty, heartbreak, and joy. A poignant meditation on faith and reason, marriage and children, and the ways we find meaning in our lives, Cara Wall’s The Dearly Beloved is a gorgeous, wise, and provocative novel that is destined to become a classic.

**Songs in Ordinary Time**
Mary McGarry Morris 2017-12-12 This New York Times bestseller of a troubled family in 1960s Vermont is “teeming with incident and characters, often foolish, even nasty, but always alive” (The New Yorker). It is the summer of 1960 in Atkinson, Vermont. With no help from her alcoholic ex-husband, Marie Fermoyle is raising three children on the edge of poverty. Her seventeen-year-old daughter, Alice, is becoming emotionally involved with a local priest in a staunchly Catholic town that disapproves of Marie’s divorce. Alice’s brother Norm is a hotheaded sixteen-year-old, and twelve-year-old Benjy is isolated and full of anxieties, looking with yearning at the Klubocks next door, who seem to live an orderly, peaceful life much unlike his own family’s. Now, Marie has met a new man: Omar Duvall, who talks about opportunities and riches but so far seems only to sponge off the Fermoyles. A lonely, desperate single mother like Marie is easy prey for con men, but she resists the temptation to doubt him. Young Benjy, though, may eventually reveal a disturbing secret that could shatter all her hopes. A portrait of a family as well as a town and its secrets, Songs in Ordinary Time is “a gritty, beautifully crafted novel rich in wisdom and suspense” (The Miami Herald). An Oprah’s Book Club selection from an author nominated for the National Book Award and the PEN/Faulkner Award, it is “extraordinary . . . a deeply satisfying story” (USA Today).

**The Color of Water**
James McBride 2006-02-07 From the bestselling author of Deacon King Kong and the National Book Award-winning The Good Lord Bird: The modern classic that spent more
than two years on The New York Times bestseller list and that Oprah.com calls one of the best memoirs of a generation. Who is Ruth McBride Jordan? A self-declared “light-skinned” woman evasive about her ethnicity, yet steadfast in her love for her twelve black children. James McBride, journalist, musician, and son, explores his mother's past, as well as his own upbringing and heritage, in a poignant and powerful debut, The Color Of Water: A Black Man's Tribute to His White Mother. The son of a black minister and a woman who would not admit she was white, James McBride grew up in "orchestrated chaos" with his eleven siblings in the poor, all-black projects of Red Hook, Brooklyn. "Mommy," a fiercely protective woman with "dark eyes full of pep and fire," herded her brood to Manhattan's free cultural events, sent them off on buses to the best (and mainly Jewish) schools, demanded good grades, and commanded respect. As a young man, McBride saw his mother as a source of embarrassment, worry, and confusion—and reached thirty before he began to discover the truth about her early life and long-buried pain. In The Color of Water, McBride retraces his mother's footsteps and, through her searing and spirited voice, recreates her remarkable story. The daughter of a failed itinerant Orthodox rabbi, she was born Rachel Shilsky (actually Ruchel Dwara Zylska) in Poland on April 1, 1921. Fleeing pogroms, her family emigrated to America and ultimately settled in Suffolk, Virginia, a small town where anti-Semitism and racial tensions ran high. With candor and immediacy, Ruth describes her parents' loveless marriage; her fragile, handicapped mother; her cruel, sexually-abusive father; and the rest of the family and life she abandoned. At seventeen, after fleeing Virginia and settling in New York City, Ruth married a black minister and founded the all-black New Brown Memorial Baptist Church in her Red Hook living room. "God is the color of water," Ruth McBride taught her children, firmly convinced that life's blessings and life's values transcend race. Twice widowed, and continually confronting overwhelming adversity and racism, Ruth's determination, drive and discipline saw her dozen children through college—and most through graduate school. At age 65, she herself received a degree in social work from Temple University. Interspersed throughout his mother's compelling narrative, McBride shares candid recollections of his own experiences as a mixed-race child of poverty, his flirtations with drugs and violence, and his eventual self-realization and professional success. The Color of Water touches readers of all colors as a vivid portrait of growing up, a haunting meditation on race and identity, and a lyrical valentine to a mother from her son.

**The UN Sustainable Development Goals**

Ilias Bantekas 2023-10-26 In September 2015, the United Nations General Assembly adopted the 17 Sustainable Development Goals (SDGs). This historic document constituted a transformative 'plan for action for people, planet and prosperity' with regards to the sustainable development efforts of all countries. The Sustainable Development Goals serves as an expert compendium, the most authoritative ready-reference tool for anyone.
interested in the SDGs. Each chapter comprises a detailed target-by-target analysis of one of the SDGs, including a methodical analysis of the preparatory proceedings that shaped each goal in its present form, an exhaustive examination of their content, and a critical assessment from an international law perspective. This commentary provides readers with the most up-to-date information on normative and legal questions arising from the incorporation of the SDGs into the international economic, social, and environmental legal frameworks, and on their implementation status. Scholars, practitioners, and those interested in the fields of law, politics, development, economics, environmental studies, and global governance will find this book a must-read.

Fire of the Covenant
Gerald N. Lund 2005 In the summer of 1856, three companies of handcarts were outfitted and sent west from Iowa to the Valley of the Great Salt Lake. All went well, and they arrived without undue incident. But two additional companies - one captained by James G. Willie, and the other by Edward Martin - left England late in the season. Whey they arrived at Iowa City, they were long past the time for safe departure across the plains. By the time they left Florence, Nebraska, with still more than a thousand miles to go, it was near the end of August. As if that were not serious enough, President Brigham Young thought that the arrival of the third company ended the migration for that season and ordered the resupply wagons back to Salt Lake. Fire of the Covenant is the story of those handcart pioneers and their exodus to the Salt Lake Valley. Author Gerald N. Lund has used the same techniques present in The Work and the Glory series to blend fictional characters into the tapestry of actual historical events, making this a story filled with all the elements of great drama - tragedy, triumph, pathos, courage, sacrifice, surrender and faith.

Cutting for Stone
Abraham Verghese 2012-05-17 Marion and Shiva Stone are twin brothers born of a secret union between a beautiful Indian nun and a brash British surgeon. Orphaned by their mother’s death and their father’s disappearance and bound together by a preternatural connection and a shared fascination with medicine, the twins come of age as Ethiopia hovers on the brink of revolution. Moving from Addis Ababa to New York City and back again, Cutting for Stone is an unforgettable story of love and betrayal, medicine and ordinary miracles—and two brothers whose fates are forever intertwined.

We Hope for Better Things
Erin Bartels 2019-01-01 A 2020 Michigan Notable Book 2020 WFWA Star Award Winner 2019 Christy Award finalist *** "In this powerful first novel . . . Bartels successfully weaves American history into a deeply moving story of heartbreak, long-held secrets, and the bonds of family."--Publishers Weekly, Starred Review "A forbidden interracial marriage, an escaped slave, an expectant mother waiting for her Union soldier to return— all of these
stories are deftly told by Bartels, as she explores the hard realities of racism and its many faces during various eras of American history. . . .Compelling characters make this winning debut also appealing for fans of general historical fiction."--Library Journal "Bartels' debut tells the story of three Balsam women, each of a different era, told against the backdrop of racism and violence in America. . . .will appeal to fans of faith-based women's fiction authors like Colleen Coble."--Booklist ***** When Detroit Free Press reporter Elizabeth Balsam meets James Rich, his strange request--that she look up a relative she didn't know she had in order to deliver an old camera and a box of photos--seems like it isn't worth her time. But when she loses her job after a botched investigation, she suddenly finds herself with nothing but time. At her great-aunt's 150-year-old farmhouse north of Detroit, Elizabeth uncovers a series of mysterious items, locked doors, and hidden graves. As she searches for answers to the riddles around her, the remarkable stories of two women who lived in this very house emerge as testaments to love, resilience, and courage in the face of war, racism, and misunderstanding. And as Elizabeth soon discovers, the past is never as past as we might like to think. Debut novelist Erin Bartels takes readers on an emotional journey through time--from the volatile streets of 1960s Detroit to the Michigan's Underground Railroad during the Civil War--to uncover the past, confront the seeds of hatred, and discover where love goes to hide. ***** "We Hope for Better Things has it all: fabulous storytelling, an emotional impact that lingers long after you turn the last page, and a setting that immerses you. I haven't read such a powerful, moving story since I read To Kill a Mockingbird in high school. This book will change how you look at the world we live in. Highly recommended!"--Colleen Coble, USAToday bestselling author of the Rock Harbor series and The View from Rainshadow Bay "A timely exploration of race in America, We Hope for Better Things is an exercise of empathy that will shape many a soul."--Julie Cantrell, New York Times and USA Today bestselling author of Perennials "I applaud [Erin's] courage, her authenticity, her beautiful turn of phrase, the freshness of her imagery, and the depth of her story that speaks to a contemporary world where understanding is often absent. We Hope for Better Things is a remarkable debut novel."--Jane Kirkpatrick, award-winning author of Everything She Didn't Say "Erin Bartels's We Hope for Better Things shares the joys and sorrows of three women from different generations. A roller coaster of emotions awaits as you share the lives of these women and hope along with them for better things."--Ann H. Gabhart, bestselling author of River to Redemption "Storytelling at its finest. Erin Bartels delivers a riveting story of forbidden love, family bonds, racial injustice, and the power of forgiveness. We Hope for Better Things is a timely, sobering, moving account of how far we've come . . . and how much distance remains to be covered. A compulsively readable, incredibly powerful novel."--Lori Nelson Spielman, New York Times bestselling author of The Life List "There is the Detroit we think we know, and there is the Detroit full of stories that are never brought to the forefront. With We Hope for Better Things, Erin Bartels brings full circle an understanding
of contemporary Detroit firmly rooted in the past, with enthralling characters and acute attention to detail. It's a must not just for Detroit lovers but also for those who need to understand that Detroit history is also American history."--Aaron Foley, city of Detroit's chief storyteller and editor of The Detroit Neighborhood Guidebook

The Covenant of Water

Abraham Verghese 2023 From the New York Times-bestselling author of Cutting for Stone comes a stunning and magisterial epic of love, faith, and medicine, set in Kerala, South India, and following three generations of a family seeking the answers to a strange secret. The Covenant of Water is the long-awaited new novel by Abraham Verghese, the author of the major word-of-mouth bestseller Cutting for Stone, which has sold over 1.5 million copies in the United States alone and remained on the New York Times bestseller list for over two years. Spanning the years 1900 to 1977, The Covenant of Water is set in Kerala, on South India's Malabar Coast, and follows three generations of a family that suffers a peculiar affliction: in every generation, at least one person dies by drowning--and in Kerala, water is everywhere. At the turn of the century, a twelve-year-old girl from Kerala's long-existing Christian community, grieving the death of her father, is sent by boat to her...
wedding, where she will meet her forty-year-old husband for the first time. From this unforgettable new beginning, the young girl--and future matriarch, known as Big Ammachi--will witness unthinkable changes over the span of her extraordinary life, full of joy and triumph as well as hardship and loss, her faith and love the only constants. A shimmering evocation of a bygone India and of the passage of time itself, The Covenant of Water is a hymn to progress in medicine and to human understanding, and a humbling testament to the difficulties undergone by past generations for the sake of those alive today. It is one of the most masterful literary novels published in recent years.

**Castle of Water**
Dane Huckelbridge 2017-04-04 Castaway meets The Notebook in this beautifully written adventure/romance set on a deserted island.

**My Own Country**
Abraham Verghese 1995-04-25 From the author of The Covenant of Water and New York Times bestseller Cutting for Stone: a story of medicine in the American heartland, and confronting one's deepest prejudices and fears. “Remarkable.... An account of the [AIDS] plague years in America. Beautifully written...by a doctor who was changed and shaped by his patients.” —The New York Times Book Review Nestled in the Smoky Mountains of eastern Tennessee, the town of Johnson City had always seemed exempt from the anxieties of modern American life. But when the local hospital treated its first AIDS patient, a crisis that had once seemed an “urban problem” had arrived in the town to stay. Working in Johnson City was Abraham Verghese, a young Indian doctor specializing in infectious diseases. Dr. Verghese became by necessity the local AIDS expert, soon besieged by a shocking number of male and female patients whose stories came to occupy his mind, and even take over his life. Verghese brought a singular perspective to Johnson City: as a doctor unique in his abilities; as an outsider who could talk to people suspicious of local practitioners; above all, as a writer of grace and compassion who saw that what was happening in this conservative community was both a medical and a spiritual emergency.

**United States of America ... V. Aluminum Company of America Et Al. ...: Brief for Aluminum Company of America and other defendants represented by its counsel**
1941

**The Color of Water**
James McBride 2012-03-01 From the New York Times bestselling author of Deacon King Kong and The Good Lord Bird, winner of the National Book Award for Fiction: The modern classic that Oprah.com calls one of the best memoirs of a generation and that launched
James McBride's literary career. More than two years on The New York Times bestseller list. As a boy in Brooklyn's Red Hook projects, James McBride knew his mother was different. But when he asked her about it, she'd simply say 'I'm light-skinned.' Later he wondered if he was different too, and asked his mother if he was black or white. 'You're a human being! Educate yourself or you'll be a nobody!' she snapped back. And when James asked about God, she told him 'God is the color of water.' This is the remarkable story of an eccentric and determined woman: a rabbi's daughter, born in Poland and raised in the Deep South who fled to Harlem, married a black preacher, founded a Baptist church and put twelve children through college. A celebration of resilience, faith and forgiveness, The Color of Water is an eloquent exploration of what family really means.

Summary of The Covenant of Water
Francis Thomas 2023-05-28 Summary of The Covenant of Water of Abraham Verghese's novel, "The Covenant of Water," setting the stage for a sprawling family saga that spans three generations and encompasses themes of death, faith, and love in a changing India. The chapter takes place in 1900 in Travancore, South India, and follows the story of a twelve-year-old girl named Mariamma, belonging to a long-standing Christian community, as she prepares to marry a widower who is three decades older and has a young son. Mariamma, also known as Big Ammachi, contemplates the life she is leaving behind as she bids farewell to her only home and expresses her thoughts through writing. Verghese paints a vivid picture of the landscape of Travancore, where the convergence of the sea and white beaches merges with meandering rivers flowing down the lush slopes of the Ghats. It is a land of enchantment for a child, with cascading torrents, rippling waterways, intricate pools and canals, a labyrinthine network of swamps and emerald lotus wetlands, and an extensive interconnected system where water is ever-present and integral to the lives of its inhabitants. Before delving deeper into the main narrative of the book, it is crucial to comprehend the history of Kerala, situated at the tip of the Indian peninsula. Verghese explores the historical backdrop of this region located along the Malabar coast, emphasizing its rich cultural heritage that has evolved over centuries. Kerala is renowned for its picturesque lagoons and wetlands, which profoundly influence the way of life for its people. Religion holds significant sway in Kerala's culture, with Hinduism, Christianity, and Islam being the dominant faiths. Through the novel, readers gain profound insights into Kerala's history and culture. Among the notable themes explored in the book are the drownings, a frequent occurrence in Kerala due to its geographical features. The lagoons and wetlands of Kerala created a perilous environment, often leading to tragic accidents, especially among the fishermen who relied on these waterways for their livelihoods. Religion played a crucial role in shaping Kerala's history and culture, with Hinduism holding dominance until the arrival of Christianity and Islam. The book explores the various religious influences in the region and their profound impact on the way of life.
Christianity, in particular, has left a lasting imprint on Kerala's culture, which is still evident today. Kerala's unique culture is shaped not only by its religious aspects but also by its political, social, philosophical, and spiritual dimensions. The region has witnessed the rule of different authorities, including the enduring influence of British colonialism. The book sheds light on the struggles faced by the people under British supremacy, including acts of violence and crimes perpetrated against them. The heritage and traditions of Kerala have been passed down through generations, and the book provides a comprehensive understanding of the community, their way of life, and their beliefs. It delves into the rituals and moral codes deeply ingrained in the cultural fabric of the people. Kerala's cuisine, known for its utilization of bananas, beef, coconut, and fish as staple ingredients, is renowned. The book also explores the vibrant and colorful traditional clothing that reflects the region's cultural identity. Here is a Preview of What You Will Get: ⁃ A Detailed Introduction ⁃ A Comprehensive Chapter by Chapter Summary ⁃ Etc Get a copy of this summary and learn about the book.

The Sweetness of Water
Nathan Harris 2022-03-29 LONGLISTED FOR THE 2021 BOOKER PRIZE AND SHORTLISTED FOR THE 2022 DYLAN THOMAS PRIZE A NEW YORK TIMES BESTSELLER 2021, OPRAH BOOK CLUB PICK AND BARACK OBAMA SELECTION 'A fine, lyrical novel, impressive in its complex interweaving of the grand and the intimate, of the personal and political' Observer Landry and Prentiss are two brothers born into slavery, finally freed as the American Civil War draws to its bitter close. Cast into the world without a penny to their names, their only hope is to find work in a society that still views them with nothing but intolerance. Farmer George Walker and his wife Isabelle are reeling from a loss that has shaken them to their core. After a chance encounter, they agree to employ the brothers on their land, and slowly the tentative bonds of trust begin to blossom between the strangers. But this sanctuary survives on a knife's edge, and it isn't long before a tragedy causes the inhabitants of the nearby town to turn their suspicion onto these new friendships, with devastating consequences. '[A] highly accomplished debut' Sunday Times Readers have been swept away by The Sweetness of Water: 'Such a powerful, magnificent book; I urge you to read it. The comparisons with Colson Whitehead are justified' ***** 'A staggering debut and a story that stays with you' ***** 'Thought-provoking and moving . . . a gripping and compelling novel that exposes flaws, mixed emotions and imperfect relationships, and yet it holds on with determination and hope. It fully deserves a 5-star rating' ***** 'Outstanding . . . A book that deserves widespread recognition and a wide audience' *****

Sacred Hunger
Barry Unsworth 2012-01-10 Winner of the Booker Prize A historical novel set in the eighteenth century, Sacred Hunger is a stunning, engrossing exploration of power, domination, and greed in the British Empire as it entered fully into the slave trade and spread it throughout its colonies. Barry Unsworth follows the failing fortunes of William Kemp, a merchant pinning his last chance to a slave ship; his son who needs a fortune because he is in love with an upper-class woman; and his nephew who sails on the ship as its doctor because he has lost all he has loved. The voyage meets its demise when disease spreads among the slaves and the captain's drastic response provokes a mutiny. Joining together, the sailors and the slaves set up a secret, utopian society in the wilderness of Florida, only to await the vengeance of the single-minded, young Kemp.

Book of a Thousand Days
Shannon Hale 2010-05-03 When a beautiful princess refuses to marry the prince her father has chosen, her father is furious and locks her in a tower. She has seven long years of solitude to think about her insolence. But the princess is not entirely alone - she has her maid, Dashti. Petulant and spoilt, the princess eats the food in their meagre store as if she were still at court, and Dashti soon realises they must either escape or slowly starve. But during their captivity, resourceful Dashti discovers that there is something far more sinister behind her princess's fears of marrying the prince, and when they do break free from the tower, they find a land laid to waste and the kingdom destroyed. They were safe in the tower, now they are at the mercy of the evil prince with a terrible secret. Thrilling, captivating, and a masterful example of storytelling at its best. The princess's maid is a
feisty and thoroughly modern heroine, in this wonderfully timeless story.

Unveiling the Magic of Words: A Overview of "**The Covenant Of Water Summary**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their capability to kindle emotions, provoke contemplation, and ignite transformative change is actually awe-inspiring. Enter the realm of "**The Covenant Of Water Summary**," a mesmerizing literary masterpiece penned by way of a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve into the book is central themes, examine its distinctive writing style, and assess its profound affect the souls of its readers.

**Broken for You** - Stephanie Kallos
2007-12-01
“A dazzling mosaic of intersecting lives and fates . . . Comparisons to John Irving and Tennessee Williams would not be amiss in this show-stopping debut” (Kirkus Reviews, starred review). The national bestseller and Today Show Book Club selection, Broken for You is the story of two women in self-imposed exile whose lives are transformed when their paths intersect . . . When we meet septuagenarian Margaret Hughes, she is living alone in a mansion in Seattle with only a massive collection of valuable antiques for company. Enter Wanda Schultz, a young woman with a broken heart who has come west to search for her wayward boyfriend. Both women are guarding dark secrets and have spent many years building up protective armor against the outside world. As their tentative friendship evolves, the armor begins to fall away and Margaret opens her house to the younger woman. This launches a series of unanticipated events, leading Margaret to discover a way to redeem her cursed past, and Wanda to learn the true purpose of her cross-country journey. “I absolutely fell in love with this book. . . . There is a message here about creating family in the most unusual places. . . . A wonderful, engaging story.” —Sue Monk Kidd, New York Times–bestselling author of The Secret Life of Bees “Well-crafted plotting and crackling wit make this debut novel by Seattle author Kallos a delight to read and a memory to savor . . . Book groups will enjoy discussing the layers of meaning, the stylistic nuances, and the powerful message of hope secreted in these pages.” —Booklist (starred review)

**Sacred Hunger** - Barry Unsworth
Winner of the Booker Prize

Sacred Hunger is a stunning, engrossing exploration of power, domination, and greed in the British Empire as it entered fully into the slave trade and spread it throughout its colonies. Barry Unsworth follows the failing fortunes of William Kemp, a merchant pinning his last chance to a slave ship; his son who needs a fortune because he is in love with an upper-class woman; and his nephew who sails on the ship as its doctor because he has lost all he has loved. The voyage meets its demise when disease spreads among the slaves and the captain's drastic response provokes a mutiny. Joining together, the sailors and the slaves set up a secret, utopian society in the wilderness of Florida, only to await the vengeance of the single-minded, young Kemp.

The Covenant of Water - Abraham Verghese

From the New York Times-bestselling author of Cutting for Stone comes a stunning and magisterial epic of love, faith, and medicine, set in Kerala, South India, and following three generations of a family seeking the answers to a strange secret. The Covenant of Water is the long-awaited new novel by Abraham Verghese, the author of the major word-of-mouth bestseller Cutting for Stone, which has sold over 1.5 million copies in the United States alone and remained on the New York Times bestseller list for over two years. Spanning the years 1900 to 1977, The Covenant of Water is set in Kerala, on South India's Malabar Coast, and follows three generations of a family that suffers a peculiar affliction: in every generation, at least one person dies by drowning—and in Kerala, water is everywhere. At the turn of the century, a twelve-year-old girl from Kerala's long-existing Christian community, grieving the death of her father, is sent by boat to her wedding, where she will meet her forty-year-old husband for the first time. From this unforgettable new beginning, the young girl—and future matriarch, known as Big Ammachi—will witness unthinkable changes over the span of her extraordinary life, full of joy and triumph as well as hardship and loss, her faith and love the only constants. A shimmering evocation of a bygone India and of the passage of time itself, The Covenant of Water is a hymn to progress in medicine and to human understanding, and a humbling testament to the difficulties undergone by past generations for the sake of those alive today. It is one of the most masterful literary novels published in recent years.

The Sweetness of Water - Nathan Harris

LONGLISTED FOR THE 2021 BOOKER PRIZE AND SHORTLISTED FOR THE 2022 DYLAN THOMAS PRIZE A NEW YORK TIMES BESTSELLER 2021, OPRAH BOOK CLUB PICK AND BARACK OBAMA SELECTION 'A fine, lyrical novel, impressive in its complex interweaving of the grand and the intimate, of the personal and political' Observer Landry and Prentiss are two brothers born into slavery, finally freed as the American Civil War draws to its bitter close. Cast into
the world without a penny to their names, 
their only hope is to find work in a society 
that still views them with nothing but 
intolerance. Farmer George Walker and his 
wife Isabelle are reeling from a loss that 
has shaken them to their core. After a 
chance encounter, they agree to employ 
the brothers on their land, and slowly the 
tentative bonds of trust begin to blossom 
between the strangers. But this sanctuary 
survives on a knife's edge, and it isn't long 
before a tragedy causes the inhabitants of 
the nearby town to turn their suspicion onto 
these new friendships, with devastating 
consequences. 'A highly accomplished 
debut' Sunday Times Readers have been 
swept away by The Sweetness of Water: 
'Such a powerful, magnificent book; I urge 
you to read it. The comparisons with Colson 
Whitehead are justified' ***** 'A staggering 
debut and a story that stays with you' ***** 
'Thought-provoking and moving . . . a 
gripping and compelling novel that exposes 
flaws, mixed emotions and imperfect 
relationships, and yet it holds on with 
determination and hope. It fully deserves a 
5-star rating' ***** 'Outstanding . . . A book 
that deserves widespread recognition and a 
wide audience' *****

**Cutting for Stone** - Abraham Verghese 
2012-05-17

Marion and Shiva Stone are twin brothers 
born of a secret union between a beautiful 
Indian nun and a brash British surgeon. 
Orphaned by their mother’s death and their 
father’s disappearance and bound together 
by a preternatural connection and a shared 
fascination with medicine, the twins come 
of age as Ethiopia hovers on the brink of 
revolution. Moving from Addis Ababa to 
New York City and back again, Cutting for 
Stone is an unforgettable story of love and 
betrayal, medicine and ordinary 
miracles—and two brothers whose fates are 
forever intertwined.

**The Color of Water** - James McBride 
2012-03-01

From the New York Times bestselling 
author of Deacon King Kong and The Good 
Lord Bird, winner of the National Book 
Award for Fiction: The modern classic that 
Oprah.com calls one of the best memoirs of 
a generation and that launched James 
McBride's literary career. More than two 
years on The New York Times bestseller list. 
As a boy in Brooklyn's Red Hook projects, 
James McBride knew his mother was 
different. But when he asked her about it, 
she'd simply say 'I'm light-skinned.' Later 
he wondered if he was different too, and 
asked his mother if he was black or white. 
'You're a human being! Educate yourself or 
you'll be a nobody!' she snapped back. And 
when James asked about God, she told him 
'God is the color of water.' This is the 
remarkable story of an eccentric and 
determined woman: a rabbi's daughter, 
born in Poland and raised in the Deep South 
who fled to Harlem, married a black 
preacher, founded a Baptist church and put 
twelve children through college. A 
celebration of resilience, faith and 
forgiveness, The Color of Water is an 
elloquent exploration of what family really 
means.

**The Dearly Beloved** - Cara Wall 2019-08-13

“This gentle, gorgeously written book may 
be one of my favorites ever.” —Jenna Bush
The Covenant Of Water Summary

Hager (A Today show “Read with Jenna” Book Club Selection!) “A thoughtful, beautiful multigenerational novel about love, God, jealousy, and friendship.” —Elizabeth Gilbert, author of Eat, Pray, Love “A moving portrait of love and friendship set against a backdrop of social change.” —The New York Times Book Review (Editor’s Choice) “Here is the power of the novel in its simplest, richest form: bearing intimate witness to human beings grappling with their faith and falling in love. That Wall executes it so beautifully? Well, this is exactly why we read literary fiction...The best book about faith in recent memory.” —Entertainment Weekly (A-) Charles and Lily, James and Nan. They meet in Greenwich Village in 1963 when Charles and James are jointly hired to steward the historic Third Presbyterian Church through turbulent times. Their personal differences however, threaten to tear them apart. Charles is destined to succeed his father as an esteemed professor of history at Harvard, until an unorthodox lecture about faith leads him to ministry. How then, can he fall in love with Lily—fiercely intellectual, elegantly stern—after she tells him with certainty that she will never believe in God? And yet, how can he not? James, the youngest son in a hardscrabble Chicago family, spent much of his youth angry at his alcoholic father and avoiding his anxious mother. Nan grew up in Mississippi, the devout and beloved daughter of a minister and a debutante. James’s escape from his desperate circumstances leads him to Nan and, despite his skepticism of hope in all its forms, her gentle, constant faith changes the course of his life. In The Dearly Beloved, we follow these two couples through decades of love and friendship, jealousy and understanding, forgiveness and commitment. Against the backdrop of turbulent changes facing the city and the church’s congregation, these four forge improbable paths through their evolving relationships, each struggling with uncertainty, heartbreak, and joy. A poignant meditation on faith and reason, marriage and children, and the ways we find meaning in our lives, Cara Wall’s The Dearly Beloved is a gorgeous, wise, and provocative novel that is destined to become a classic.

Blue Covenant - Maude Barlow 2009-05-01

A cautionary account of climate change and the global water supply. “You will not turn on the tap in the same way after reading this book.” —Robert Redford In a book hailed by Publishers Weekly as a “passionate plea for access-to-water activism,” Blue Covenant addresses an environmental crisis that—together with global warming—poses one of the gravest threats to our survival. How did the world’s most vital resource become imperiled? And what must we do to pull back from the
brink? In “stark and nearly devastating prose”, world-renowned activist and bestselling author Maude Barlow—who is featured in the acclaimed documentary Flow—discusses the state of the world’s water. Barlow examines how water companies are reaping vast profits from declining supplies, and how ordinary people from around the world have banded together to reclaim the public’s right to clean water, creating a grassroots global water justice movement. While tracing the history of international battles for the right to water, she documents the life-and-death stakes involved in the fight and lays out the actions that we as global citizens must take to secure a water-just world for all (Booklist). “Sounds the water alarm with conviction and authority.” —Kirkus Reviews “This book proves that water deserves another destiny.” —Eduardo Galeano “Blue Covenant will inspire civil society movements around the world.” —Vandana Shiva

A Summary-digest of State Water Laws - Richard L. Dewsnup 1973

Summary of The Covenant of Water (Oprah's Book Club) by Abraham Verghese - GP SUMMARY 2023-05-04

DISCLAIMER This book does not in any capacity mean to replace the original book but to serve as a vast summary of the original book. Summary of The Covenant of Water (Oprah's Book Club) by Abraham Verghese IN THIS SUMMARIZED BOOK, YOU WILL GET: Chapter astute outline of the main contents. Fast & simple understanding of the content analysis.

Exceptionally summarized content that you may skip in the original book The Covenant of Water is a novel by Abraham Verghese, the author of Cutting for Stone. It follows three generations of a family in Kerala, South India, who suffer from a peculiar affliction: at least one person dies by drowning. At the turn of the century, a twelve-year-old girl is sent by boat to her wedding, where she will meet her forty-year-old husband for the first time. The novel is a hymn to progress in medicine and human understanding, and a testament to the difficulties undergone by past generations for the sake of those alive today.

The UN Sustainable Development Goals - Ilias Bantekas 2023-10-26

In September 2015, the United Nations General Assembly adopted the 17 Sustainable Development Goals (SDGs). This historic document constituted a transformative 'plan for action for people, planet and prosperity' with regards to the sustainable development efforts of all countries. The Sustainable Development Goals serves as an expert compendium, the most authoritative ready-reference tool for anyone interested in the SDGs. Each chapter comprises a detailed target-by-target analysis of one of the SDGs, including a methodical analysis of the preparatory proceedings that shaped each goal in its present form, an exhaustive examination of their content, and a critical assessment from an international law perspective. This commentary provides readers with the most up-to-date information on normative and legal
questions arising from the incorporation of the SDGs into the international economic, social, and environmental legal frameworks, and on their implementation status. Scholars, practitioners, and those interested in the fields of law, politics, development, economics, environmental studies, and global governance will find this book a must-read.

Fire of the Covenant - Gerald N. Lund 2005

In the summer of 1856, three companies of handcarts were outfitted and sent west from Iowa to the Valley of the Great Salt Lake. All went well, and they arrived without undue incident. But two additional companies - one captained by James G. Willie, and the other by Edward Martin - left England late in the season. Whey they arrived at Iowa City, they were long past the time for safe departure across the plains. By the time they left Florence, Nebraska, with still more than a thousand miles to go, it was near the end of August. As if that were not serious enough, President Brigham Young thought that the arrival of the third company ended the migration for that season and ordered the resupply wagons back to Salt Lake. Fire of the Covenant is the story of those handcart pioneers and their exodus to the Salt Lake Valley. Author Gerald N. Lund has used the same techniques present in The Work and the Glory series to blend fictional characters into the tapestry of actual historical events, making this a story filled with all the elements of great drama - tragedy, triumph, pathos, courage, sacrifice, surrender and faith.

Summary of The Covenant of Water - Francis Thomas 2023-05-28

Summary of The Covenant of Water of Abraham Verghese's novel, "The Covenant of Water," setting the stage for a sprawling family saga that spans three generations and encompasses themes of death, faith, and love in a changing India. The chapter takes place in 1900 in Travancore, South India, and follows the story of a twelve-year-old girl named Mariamma, belonging to a long-standing Christian community, as she prepares to marry a widower who is three decades older and has a young son. Mariamma, also known as Big Ammachi, contemplates the life she is leaving behind as she bids farewell to her only home and expresses her thoughts through writing. Verghese paints a vivid picture of the landscape of Travancore, where the convergence of the sea and white beaches merges with meandering rivers flowing down the lush slopes of the Ghats. It is a land of enchantment for a child, with cascading torrents, rippling waterways, intricate pools and canals, a labyrinthine network of swamps and emerald lotus wetlands, and an extensive interconnected system where water is ever-present and integral to the lives of its inhabitants. Before delving deeper into the main narrative of the book, it is crucial to comprehend the history of Kerala, situated at the tip of the Indian peninsula. Verghese explores the historical backdrop of this region located along the Malabar coast, emphasizing its rich cultural heritage that has evolved over centuries. Kerala is renowned for its picturesque lagoons and wetlands, which profoundly influence the
way of life for its people. Religion holds significant sway in Kerala's culture, with Hinduism, Christianity, and Islam being the dominant faiths. Through the novel, readers gain profound insights into Kerala's history and culture. Among the notable themes explored in the book are the drownings, a frequent occurrence in Kerala due to its geographical features. The lagoons and wetlands of Kerala created a perilous environment, often leading to tragic accidents, especially among the fishermen who relied on these waterways for their livelihoods. Religion played a crucial role in shaping Kerala's history and culture, with Hinduism holding dominance until the arrival of Christianity and Islam. The book explores the various religious influences in the region and their profound impact on the way of life. Christianity, in particular, has left a lasting imprint on Kerala's culture, which is still evident today. Kerala's unique culture is shaped not only by its religious aspects but also by its political, social, philosophical, and spiritual dimensions. The region has witnessed the rule of different authorities, including the enduring influence of British colonialism. The book sheds light on the struggles faced by the people under British supremacy, including acts of violence and crimes perpetrated against them. The heritage and traditions of Kerala have been passed down through generations, and the book provides a comprehensive understanding of the community, their way of life, and their beliefs. It delves into the rituals and moral codes deeply ingrained in the cultural fabric of the people. Kerala's cuisine, known for its utilization of bananas, beef, coconut, and fish as staple ingredients, is renowned. The book also explores the vibrant and colorful traditional clothing that reflects the region's cultural identity. Here is a Preview of What You Will Get: - A Detailed Introduction - A Comprehensive Chapter by Chapter Summary - Etc Get a copy of this summary and learn about the book.

**My Own Country - Abraham Verghese**

1995-04-25

Nestled in the Smoky Mountains of eastern Tennessee, the town of Johnson City had always seemed exempt from the anxieties of modern American life. But when the local hospital treated its first AIDS patient, a crisis that had once seemed an “urban problem” had arrived in the town to stay. Working in Johnson City was Abraham Verghese, a young Indian doctor specializing in infectious diseases. Dr. Verghese became by necessity the local AIDS expert, soon besieged by a shocking number of male and female patients whose stories came to occupy his mind, and even take over his life. Verghese brought a singular perspective to Johnson City: as a doctor unique in his abilities; as an outsider who could talk to people suspicious of local practitioners; above all, as a writer of grace...
and compassion who saw that what was happening in this conservative community was both a medical and a spiritual emergency.

**Thirst** - Scott Harrison 2018-10-02
NEW YORK TIMES BESTSELLER • An inspiring personal story of redemption, second chances, and the transformative power within us all, from the founder and CEO of the nonprofit charity: water. At 28 years old, Scott Harrison had it all. A top nightclub promoter in New York City, his life was an endless cycle of drugs, booze, models—repeat. But 10 years in, desperately unhappy and morally bankrupt, he asked himself, "What would the exact opposite of my life look like?" Walking away from everything, Harrison spent the next 16 months on a hospital ship in West Africa and discovered his true calling. In 2006, with no money and less than no experience, Harrison founded charity: water. Today, his organization has raised over $400 million to bring clean drinking water to more than 10 million people around the globe. In Thirst, Harrison recounts the twists and turns that built charity: water into one of the most trusted and admired nonprofits in the world. Renowned for its 100% donation model, bold storytelling, imaginative branding, and radical commitment to transparency, charity: water has disrupted how social entrepreneurs work while inspiring millions of people to join its mission of bringing clean water to everyone on the planet within our lifetime. In the tradition of such bestselling books as Shoe Dog and Mountains Beyond Mountains, Thirst is a riveting account of how to build a better charity, a better business, a better life—and a gritty tale that proves it’s never too late to make a change. 100% of the author’s net proceeds from Thirst will go to fund charity: water projects around the world.

**Icy Sparks** - Gwyn Hyman Rubio 2001-03-08
A New York Times Notable Book and the March 2001 selection of Oprah's Book Club® ! Icy Sparks is the sad, funny and transcendent tale of a young girl growing up in the mountains of Eastern Kentucky during the 1950’s. Gwyn Hyman Rubio’s beautifully written first novel revolves around Icy Sparks, an unforgettable heroine in the tradition of Scout in To Kill a Mockingbird or Will Treed in Cold Sassy Tree. At the age of ten, Icy, a bright, curious child orphaned as a baby but raised by adoring grandparents, begins to have strange experiences. Try as she might, her "secrets"—verbal croaks, groans, and physical spasms—keep afflicting her. As an adult, she will find out she has Tourette’s Syndrome, a rare neurological disorder, but for years her behavior is the source of mystery, confusion, and deep humiliation. Narrated by a grown up Icy, the book chronicles a difficult, but ultimately hilarious and heartwarming journey, from her first spasms to her self-acceptance as a young woman. Curious about life beyond the hills, talented, and energetic, Icy learns to cut through all barriers—physical, mental, and spiritual—in order to find community and acceptance. Along her journey, Icy faces the jeers of her classmates as well as the malevolence of her often-ignorant teachers—including Mrs.
Stilton, one of the most evil fourth grade teachers ever created by a writer. Called willful by her teachers and "Frog Child" by her schoolmates, she is exiled from the schoolroom and sent to a children's asylum where it is hoped that the roots of her mysterious behavior can be discovered. Here Icy learns about difference—her own and those who are even more scarred than she. Yet, it isn't until Icy returns home that she really begins to flower, especially through her friendship with the eccentric and obese Miss Emily, who knows first-hand how it feels to be an outcast in this tightly knit Appalachian community. Under Miss Emily's tutelage, Icy learns about life's struggles and rewards, survives her first comical and heartbreaking misadventure with romance, discovers the healing power of her voice when she sings, and ultimately—takes her first steps back into the world. Gwyn Hyman Rubio's Icy Sparks is a fresh, original, and completely redeeming novel about learning to overcome others' ignorance and celebrate the differences that make each of us unique.

River, Cross My Heart - Breena Clarke 2017-08-01
The acclaimed bestseller -- a selection of Oprah's Book Club -- that brings vividly to life the Georgetown neighborhood of Washington, DC, circa 1925, and a community reeling from a young girl's tragic death. When five-year-old Clara Bynum drowns in the Potomac River under a seemingly haunted rock outcropping known locally as the Three Sisters, the community must reconcile themselves to the bitter tragedy. Clarke powerful charts the fallout from Clara's death on the people she has left behind: her parents, Alice and Willie Bynum, torn between the old world of their rural North Carolina home and the new world of the city; the friends and relatives of the Bynum family in the Georgetown neighborhood they now call home; and, most especially, Clara's sister, ten-year-old Johnnie Mae, who is thrust into adolescence and must come to terms with the terrible and confused emotions stirred by her sister's death. This highly accomplished debut novel reverberates with ideas, impassioned lyricism, and poignant historical detail as it captures an essential and moving portrait of the Washington, DC community.
Book formats include print books, ebooks, audiobooks, and so on. Book languages include English, Spanish, French, and so on.

Books have a variety of benefits, including:

**Libraries**

Libraries are places where books are stored. Libraries are typically managed by the government or nonprofit organizations. Libraries offer a variety of services to the public, including book lending, in-person reading, and information services.

Library services can be beneficial for people of all ages and backgrounds. For example, library lending services can help people to access books that they would not be able to afford to purchase. Library in-person reading services can provide people with a place to relax and enjoy books. Library information services can help people to find information on a variety of topics.

**Kindle book downloads**

Kindle book downloads are the process of downloading electronic books that can be read on a Kindle device. Kindle is an electronic book reader device produced by Amazon.

Kindle book downloads offer a number of advantages over other forms of ebook downloads. For example, Kindle books are available in a variety of formats, including EPUB, MOBI, and AZW3. Kindle books also offer a variety of features, such as built-in dictionary, highlighting, and note-taking.

Books, libraries, ebook downloads, and Kindle book downloads are all interrelated. Books are a source of information and entertainment that can be obtained from libraries, ebook downloads, or Kindle book downloads.

Libraries are places that store books that offer a variety of services to the public, including book lending, in-person reading, and information services.

Ebook downloads are the process of downloading electronic books that can be done through various websites and apps.

Kindle book downloads are the process of downloading electronic books that can be read on a Kindle device.

All four of these things can be beneficial for people to develop themselves and improve their quality of life.

Here are some tips for getting more reading into your life:

* **Set aside time for reading each day.** Even if it's just 30 minutes, make time to read something you enjoy. [Image of Orang membaca buku]
* **Make reading a social activity.** Get together with friends or family to read the same book and discuss it.
* **Find a comfortable place to read.** You should be able to relax and focus without distractions.
* **Don't be afraid to experiment with different genres.** You may be surprised at what you enjoy.

**Libraries are a great resource for finding**
books to read. Libraries offer a wide variety of books, magazines, newspapers, and other resources. They also offer a variety of programs and services that can help you to get more reading into your life.

Ebook downloads are another convenient way to access books. Ebooks can be downloaded to a variety of devices, including computers, laptops, tablets, and smartphones. Ebook downloads are often more affordable than print books, and they can be accessed anywhere, anytime.

Kindle book downloads are a specific type of ebook download that are available on Kindle devices. Kindle devices offer a variety of features that can make reading more enjoyable, such as a built-in dictionary, highlighting, and note-taking.

The Covenant Of Water Summary
By reading, visiting libraries, downloading ebooks, and downloading Kindle books, you can enrich your life and learn new things.

Dive into the World of The Covenant Of Water Summary Books!
Unleash the joy of reading and enrich your life with these simple yet powerful steps:

Explore your local The Covenant Of Water Summary library
Libraries are treasure troves overflowing with knowledge and stories. Dive into their vibrant atmosphere and discover hidden gems amongst countless books, magazines, and newspapers, all freely available for your exploration.

Join a The Covenant Of Water Summary book club
Connect with fellow bookworms and delve deeper into captivating narratives. Book clubs provide a platform to share insights, analyze characters, and spark lively discussions, adding a new dimension of enjoyment to your reading experience.

Fuel your The Covenant Of Water Summary curiosity with classes
Expand your horizons by taking a class on a topic that ignites your passion. Whether it's delving into history, unraveling scientific mysteries, or exploring the beauty of art, learning alongside others deepens your understanding and opens doors to exciting new avenues.

Is there a burning question lurking in your mind? A passion yearning to be explored? Look no further than the enchanting world of classes! Classes offer a kaleidoscope of possibilities, ready to fuel your curiosity and illuminate hidden facets of your potential.

Imagine: Embarking on a thrilling historical voyage, unmasking the secrets of ancient civilizations and the whispers of bygone eras. Classes become time machines, transporting you to the dusty streets of Rome, the majestic halls of Versailles, or the vibrant energy of the Renaissance. With every lesson, you'll weave through narratives of daring conquests, artistic
revolutions, and the triumphs of human spirit – each tale enriching your present with the wisdom of the past.

Or perhaps: You hunger for the unraveling of scientific mysteries. Classes can become your laboratory, your launchpad into uncharted territories of discovery. Picture yourself peering into the intricate dance of atoms, dissecting the marvels of the human body, or unraveling the secrets of the cosmos. From the microscopic depths of a cell to the boundless reaches of space, classes unlock the universe's hidden blueprints, empowering you to understand the symphony of life itself.

But wait, there's more! Classes aren't just about facts and figures. They’re an artistic canvas, a playground for the creative soul. Immerse yourself in the world of brushstrokes and melodies, learning from seasoned masters and fellow passionate souls. Let your fingers dance across a keyboard, coaxing out symphonies, or lose yourself in the vibrant hues of a watercolor sunset. The possibilities are endless – a sculptor shaping clay into dreams, a poet weaving words into tapestries of emotion, a dancer expressing the universe's unspoken language.

In the vibrant ecosystem of a class, you're not alone. You'll find yourself surrounded by a community of kindred spirits, all fueled by the same spark of curiosity. Imagine lively discussions under the soft glow of lamplight, where ideas ignite and minds dance in a tango of knowledge. Collaborative projects become playgrounds for shared exploration, while friendly competition pushes you to reach new heights. These connections extend beyond the walls of the classroom, weaving a tapestry of friendships and a support system that will forever nourish your intellectual journey.

So, what are you waiting for? The world of classes beckons, overflowing with the nectar of knowledge and the intoxicating aroma of self-discovery. Choose your adventure, dive headfirst into your passions, and watch your curiosity evolve into a blazing inferno of understanding. Classes are the fuel, and you hold the spark. Light the fire and watch your potential illuminate the world around you.

Remember, the greatest journeys begin with a single step. Take yours today. Enroll in a class, ignite your curiosity, and let the learning dance commence!

This expanded version clocks in at around 450 words, leaving room for you to further personalize it based on your specific goals and target audience. Remember, the possibilities are endless, just like the knowledge waiting to be unearthed!
