The Red Of My Blood A Death And Life Story

Blood Meridian - Cormac McCarthy 2010-08-11
25th ANNIVERSARY EDITION • From the bestselling author of The Passenger and the Pulitzer Prize–winning novel The Road: an epic novel of the violence and depravity that attended America's westward expansion, brilliantly subverting the conventions of the Western novel and the mythology of the Wild West. Based on historical events that took place on the Texas-Mexico border in the 1850s, Blood Meridian traces the fortunes of the Kid, a fourteen-year-old Tennessean who stumbles into the nightmarish world where Indians are being murdered and the market for their scalps is thriving. Look for Cormac McCarthy's latest bestselling novels, The Passenger and Stella Maris.

Things I Wish I'd Known - Victoria Young 2015-03-05
THE PERFECT GIFT FOR MOTHER'S DAY! Look at the front cover of any parenting book and what do you see? Glowing mothers-to-be, or pristine, beautifully-behaved children. But the reality is, your pregnancy might be a sweaty, moody rollercoaster, and your children will almost certainly spend the first few years of their lives covered in food, tears and worse. And the experience is no less magical for it. In this no-holds-barred collection of essays, prominent women authors, journalists and TV personalities explore the truth about becoming mothers. Covering topics from labour to the breastapo, twins to IVF, weaning to post-birth sex, and with writers including Cathy Kelly, Adele Parks, Kathy Lette and Lucy Porter (and many more), Things I Wish I'd Known is a reassuring, moving and often hilarious collection that will speak to mothers - and mothers-to-be - everywhere.

Autobiography of Red - Anne Carson 2013-03-05
The award-winning poet reinvents a genre in a stunning work that is both a novel and a poem, both an unconventional re-creation of an ancient Greek myth and a wholly original coming-of-age story set in the present. Geryon, a young boy who is also a winged red monster, reveals the volcanic terrain of his fragile, tormented soul in an autobiography he begins at the age of five. As he grows older, Geryon escapes his abusive brother and affectionate but ineffectual mother, finding solace behind the lens of his camera and in the arms of a young man named Herakles, a cavalier drifter who leaves him at the peak of infatuation. When Herakles reappears years later, Geryon confronts again the pain of his desire and embarks on a journey that will unleash his creative imagination to its fullest extent. By turns whimsical and haunting, erudite and accessible, richly layered and deceptively simple, Autobiography of Red is a profoundly moving portrait of an artist coming to terms with the fantastic accident of who he is. A NEW YORK TIMES NOTABLE BOOK OF THE YEAR National Book Critics Circle Award Finalist "Anne Carson is, for me, the

What is it that makes a home? What is a home without the roots that tie you to a place? What is a home when a family is split? Clover's eldest children are leaving home for university. Her husband Pete's work is in America. The only way for Clover and the younger children to live with him is to uproot, leave their rural life near the ancient Ridgeway in Oxfordshire and move to Washington DC. Forced to leave the home she loves and consider these questions, Clover sets out to explore the place where she lives, walk the Ridgeway, understand a little of the history of her landscape and work out why it is that it is so hard for her to go. In doing so she paints a beautifully layered portrait of family, community and of belonging in a landscape that has drawn people to it for generation after generation.

**Life and Death in Shanghai** - Cheng Nien 2010-12-14

A woman who spent more than six years in solitary confinement during Communist China's Cultural Revolution discusses her time in prison. Reissue. A New York Times Best Book of the Year.

**The Unwinding of the Miracle** - Julie Yip-Williams 2019

Born blind in Vietnam, Julie Yip-Williams narrowly escaped euthanasia by her grandmother, and then fled the political upheaval of the late 1970s with her family. She made it to Hong Kong and, ultimately, America, where a surgeon at UCLA gave her partial sight. Against all odds, she became a Harvard-educated lawyer with a husband and two children. At age thirty-seven, Julie was diagnosed with terminal metastatic colon cancer. This book grew out of a blog Julie kept through the past four years of her life.

In Edgar Allan Poe's "The Masque of the Red Death", Prince Prospero isolates himself and his wealthy guests to avoid a deadly plague. Despite his efforts to escape death, it invades his masked ball, proving that no one can escape fate.

**One Blood** - Spencie Love 2000-11-09
One Blood traces both the life of the famous black surgeon and blood plasma pioneer Dr. Charles Drew and the well-known legend about his death. On April 1, 1950, Drew died after an auto accident in rural North Carolina. Within hours, rumors spread: the man who helped create the first American Red Cross blood bank had bled to death because a whites-only hospital refused to treat him. Drew was in fact treated in the emergency room of the small, segregated Alamance General Hospital. Two white surgeons worked hard to save him, but he died after about an hour. In her compelling chronicle of Drew's life and death, Spencie Love shows that in a generic sense, the Drew legend is true: throughout the segregated era, African Americans were turned away at hospital doors, either because the hospitals were whites-only or because the 'black beds' were full. Love describes the fate of a young black World War II veteran who died after being turned away from Duke Hospital following an auto accident that occurred in the same year and the same county as Drew's. African Americans are shown to have figuratively 'bled to death' at white hands from the time they were first brought to this country as slaves. By preserving their own stories, Love says, they have proven the enduring value of oral history.

All Blood Runs Red - Phil Keith 2019-11-05
The incredible story of the first African American military pilot, who became a spy in the French Resistance and an American civil rights pioneer. Winner of the Gold Medal for Memoir/Biography from the Military Writers Society of America A New York Times Book Review Editors’ Choice Eugene Bullard lived one of the most fascinating lives of the twentieth century. The son of a former slave and an indigenous Creek woman, Bullard fled home at the age of eleven to escape the racial hostility of his Georgia community. When his journey led him to Europe, he garnered worldwide fame as a boxer, and later as the first African American fighter pilot in history. After the war, Bullard returned to Paris a celebrated hero. But little did he know that the dramatic, globe-spanning arc of his life had just begun. All Blood Runs Red is the inspiring untold story of an American hero, a thought-provoking chronicle of the twentieth century and a portrait of a man who came from nothing and by his own courage, determination, gumption, intelligence and luck forged a legendary life. “A whale of a tale, told clearly and quickly. I read the entire book in almost one sitting.” —Thomas E. Ricks, The New York Times Book Review “All Blood Runs Red should be required reading for anyone who has ever dreamed big. A truly inspiring and uplifting story of courage and triumph, and an opus for an unsung hero.” —Nelson DeMille “Dazzling . . . This may be a biography, but it reads like a novel.” —Publishers Weekly (starred review)

The Red of My Blood - Clover Stroud 2023-01-26
THE INSTANT SUNDAY TIMES BESTSELLER 'MUST READ ... A remarkable account of love and grief.' - DAILY MAIL 'She is a vigorous and fearless writer, grabbing us by the throat to describe life's horrors and her responses to them, filling her pages with the magnetic force
of her own life as wife, lover and mother of five which somehow has to go on.' SPECTATOR
'With brutal, beautiful honesty, Clover articulates how bereavement shocks and dislocates
- and in all the pain, there's SO much life.' MARIAN KEYES ............................................
'Can death bring something good to my life?' A few weeks before Christmas, Clover's sister
died of breast cancer, aged forty-six. Just days before, she had been given years to live.
Her sudden death split Clover's life apart. The Red of My Blood charts Clover's fearless
passage through the first year after her sister's death. It is a book about what life feels like
when death interrupts it, and about bearing the unbearable and describing an experience
that seems beyond words. Lyrical, hopeful, it is also about the magical way in which death
and life exist so vividly beside one another, and the wonder of being human. 'A beautiful
addition to the literature of loss. It will serve as a lit match, to be passed from one person
to the next in the darkest moments.' THE SUNDAY TIMES

Milk Blood Heat - Dantiel W. Moniz 2021-02-02
“Moniz sings of Florida, girlhood, family, loss, and the glorious, ecstatic, devastating
human body. A gorgeous debut from a wickedly talented new writer.” —Lauren Groff, New
York Times–bestselling author Named a Best Book of the Year by The Atlantic, TIME,
Washington Independent Review of Books, Kirkus, Chicago Public Library, Library Journal,
Literary Hub, Audible, Largehearted Boy, Entropy, Millions, and Tampa Bay Times Set
among the cities and suburbs of Florida, each story in Milk Blood Heat delves into the
ordinary worlds of young girls, women, and men who find themselves confronted by
extraordinary moments of violent personal reckoning. These intimate portraits of people
and relationships scour and soothe and blast a light on the nature of family, faith,
forgiveness, consumption, and what we may, or may not, owe one another. A thirteen-
year-old meditates on her sadness and the difference between herself and her white best
friend when an unexpected tragedy occurs; a woman recovering from a miscarriage finds
herself unable to let go of her daughter—whose body parts she sees throughout her daily
life; a teenager resists her family’s church and is accused of courting the devil; servers at
a supper club cater to the insatiable cravings of their wealthy clientele; and two estranged
siblings take a road-trip with their father’s ashes and are forced to face the troubling
reality of how he continues to shape them. Wise and subversive, spiritual and seductive,
Milk Blood Heat forms an ouroboros of stories that bewitch with their truth, announcing the
arrival of a bright new literary star. “A fresh feel for the intensity and contradictions of
girlhood sings across tough stories.” —Entertainment Weekly

When Grief Equals Love - Lizzie Pickering 2023-05-11
When Lizzie Pickering's young son Harry died in 2000, she set out on a journey to
understand how she could survive her grief and learn to live with it. In When Grief Equals
Love, she details the lessons she’s learned from her own experiences and those of others,
who share their thoughts in this moving and tender book. Lizzie opens her diaries, written
in the early years after Harry’s death, revealing her observations on the grief of his
siblings and family, what helped and what hurt. Revisiting those diaries, she reflects on
time passing, and what has changed for her and her family since. Lizzie looks at the myth
of closure, survivor’s energy and cumulative grief – when life experiences pile up and
become too much to bear. She includes interviews with bereaved friends, who share their
own insights, and she provides a toolkit based on what has helped her and what she
recommends to those she now helps with grief guidance. In most lives, unfortunately, grief
and loss are inevitable. But living with grief can still be living. This book is for those going
through grief and anyone who might need to support them. There are no easy answers,
but nobody should have to cope alone.

My Wild and Sleepless Nights - Clover Stroud 2020-02-20
'Raw, elemental and beautiful.' Telegraph 'This is quite simply the best book about
motherhood I have ever read.' - Eleanor Mills in the Sunday Times Mother to five children,
Clover Stroud has navigated family life across two decades, both losing and finding
herself. In her touching, provocative and profoundly insightful book, she captures a sense
of what motherhood really feels like - how intense, sensuous, joyful, boring, profound and
dark it can be. My Wild and Sleepless Nights examines what it means to be a mother, and
reveals with unflinching honesty the many conflicting emotions that this entails: the joy
and the wonder, the loneliness and despair. MORE PRAISE FOR CLOVER STROUD: 'Clover's expertise is writing about family life in a way that feels both new and entirely familiar' - Pandora Sykes 'As tender, blazing, funny and unflinching as the love it describes. I want to give this triumphant book to every mother I know' - Rachel Joyce 'Stroud is always willing to rip open her very soul in order to reveal the truth about her life - and every time a woman tells the truth like this, it sets another woman free' - Elizabeth Gilbert 'I read in one greedy gulp and am still slightly reeling. Extraordinary writing... For mothers and those even vaguely interested in family dynamics it is fascinating' - Alexandra Heminsley

Charting the course of one year, the first in her youngest child's life, Clover searches for answers to questions that many of us would be too afraid to admit to - not only about motherhood, but also about female sexuality and identity. Her story will speak to all mothers, and anyone about to embark on that journey.

**The Wild Other** - Clover Stroud 2017-02-09

SHORTLISTED FOR THE WAINWRIGHT PRIZE 'This story - so fierce and brave and visceral and raw - will stay with me forever. Clover Stroud is a force of nature, and a woman who is fearless in the face of life and death. I loved it.' Elizabeth Gilbert, author of Eat Pray Love 'An astonishing book about loss, love, darkness, pain, sex and adventure. I adore it.' Dolly Alderton 'There is so much richly evoked life here... beautifully written.' Cathy Rentzenbrink, The Times 'This redemptive memoir will steal your heart; it will return it
bruised but emboldened.' Mail on Sunday 'I have huge admiration for the spirit of this memoir, and its author: full of heart, bravery and adventure. A moving, gripping read.' Amy Liptrot, author of The Outrun Clover Stroud grew up in rural Wiltshire surrounded by animals and family. When she was just sixteen her adored mother had a horrific riding accident which left her permanently brain-damaged, and suddenly Clover was left to fend for herself. She embarked on an extraordinary journey to heal her broken heart, courting men and danger through two marriages and five children. The Wild Other is a grippingly honest account of love, sex and travelling to the darkest edges of human experience and back again. Powerful and deeply emotional, this is the story of an extraordinary life lived at its fullest.

**Blood Heir** - Amélie Wen Zhao 2019-11-19

The first book in an epic new series about a princess hiding a dark secret and the con man she must trust to clear her name for her father's murder. In the Cyrilian Empire, Affinites are reviled. Their varied gifts to control the world around them are unnatural—dangerous. And Anastacya Mikhailov, the crown princess, has a terrifying secret. Her deadly Affinity to blood is her curse and the reason she has lived her life hidden behind palace walls. When Ana's father, the emperor, is murdered, her world is shattered. Framed as his killer, Ana must flee the palace to save her life. And to clear her name, she must find her father's murderer on her own. But the Cyrilia beyond the palace walls is far different from the one she thought she knew. Corruption rules the land, and a greater conspiracy is at work—one that threatens the very balance of her world. And there is only one person corrupt enough to help Ana get to its core: Ramson Quicktongue. A cunning crime lord of the Cyrilian underworld, Ramson has sinister plans—though he might have met his match in Ana. Because in this story, the princess might be the most dangerous player of all. "Cinematic storytelling at its best."—Adrienne Young, New York Times bestselling author of Sky in the Deep and The Girl the Sea Gave Back “Zhao shines in the fast-paced and vivid combat scenes, which lend a cinematic quality that pulls readers in.”—The New York Times Book Review “Zhao is a master writer who weaves a powerful tale of loyalty, honor, and courage through a strong female protagonist. . . . When Breath Becomes Air
Paul Kalanithi 2016-01-12 #1 NEW YORK TIMES BESTSELLER • PULITZER PRIZE FINALIST •
This inspiring, exquisitely observed memoir finds hope and beauty in the face of
insurmountable odds as an idealistic young neurosurgeon attempts to answer the question
What makes a life worth living? NAMED ONE OF PASTE’S BEST MEMOIRS OF THE DECADE •
People • NPR • The Washington Post • Slate • Harper’s Bazaar • Time Out New York •
Publishers Weekly • BookPage Finalist for the PEN Center USA Literary Award in Creative Nonfiction and the Books for a Better Life Award in Inspirational Memoir At the age of thirty-six, on the verge of completing a decade’s worth of training as a neurosurgeon, Paul Kalanithi was diagnosed with stage IV lung cancer. One day he was a doctor treating the dying, and the next he was a patient struggling to live. And just like that, the future he and his wife had imagined evaporated. When Breath Becomes Air chronicles Kalanithi’s transformation from a naïve medical student “possessed,” as he wrote, “by the question of what, given that all organisms die, makes a virtuous and meaningful life” into a neurosurgeon at Stanford working in the brain, the most critical place for human identity, and finally into a patient and new father confronting his own mortality. What makes life worth living in the face of death? What do you do when the future, no longer a ladder toward your goals in life, flattens out into a perpetual present? What does it mean to have a child, to nurture a new life as another fades away? These are some of the questions Kalanithi wrestles with in this profoundly moving, exquisitely observed memoir. Paul Kalanithi died in March 2015, while working on this book, yet his words live on as a guide and a gift to us all. “I began to realize that coming face to face with my own mortality, in a sense, had changed nothing and everything,” he wrote. “Seven words from Samuel Beckett began to repeat in my head: ‘I can’t go on. I’ll go on.’” When Breath Becomes Air is an unforgettable, life-affirming reflection on the challenge of facing death and on the relationship between doctor and patient, from a brilliant writer who became both.
The Tale of Despereaux
Kate DiCamillo 2009-09-08 A brave mouse, a covetous rat, a wishful serving girl, and a princess named Pea come together in Kate DiCamillo's Newbery Medal–winning tale. Welcome to the story of Despereaux Tilling, a mouse who is in love with music, stories, and a princess named Pea. It is also the story of a rat called Roscuro, who lives in the darkness and covets a world filled with light. And it is the story of Miggery Sow, a slow-witted serving girl who harbors a simple, impossible wish. These three characters are about to embark on a journey that will lead them down into a horrible dungeon, up into a glittering castle, and, ultimately, into each other's lives. What happens then? As Kate DiCamillo would say: Reader, it is your destiny to find out. With black-and-white illustrations and a refreshed cover by Timothy Basil Ering.

In Cold Blood
Truman Capote 2013-02-19 Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library’s new set of beautifully repackaged hardcover classics by Truman Capote—also available are Breakfast at Tiffany’s and Other Voices, Other Rooms (in one volume), Portraits and Observations, and The Complete Stories Truman Capote’s masterpiece, In Cold Blood, created a sensation when it was first published, serially, in The New Yorker in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the “new journalism.” Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. “I thought he was a very nice gentleman,” he says of Herb Clutter. “Soft-spoken. I thought so right up to the moment I cut his throat.” Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers’ flight, Capote’s account is so detailed that the reader comes to feel almost like a participant in the events.

The Year of Magical Thinking
Joan Didion 2007-02-13 NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • From one of America’s iconic writers, a stunning book of electric honesty and passion that explores an intensely personal yet universal experience: a portrait of a marriage—and a life, in good times and bad—that will speak to anyone who has ever loved a husband or wife or child. Several days before Christmas 2003, John Gregory Dunne and Joan Didion saw their only daughter, Quintana, fall ill with what seemed at first flu, then pneumonia, then complete septic shock. She was put into an induced coma and placed on life support. Days later—the night before New Year’s Eve—the Dunnes were just sitting down to dinner after visiting the hospital when John Gregory Dunne suffered a massive and fatal coronary.
In a second, this close, symbiotic partnership of forty years was over. Four weeks later, their daughter pulled through. Two months after that, arriving at LAX, she collapsed and underwent six hours of brain surgery at UCLA Medical Center to relieve a massive hematoma. This powerful book is Didion’s attempt to make sense of the “weeks and then months that cut loose any fixed idea I ever had about death, about illness ... about marriage and children and memory ... about the shallowness of sanity, about life itself.

Victoria Young 2015-03-05 THE PERFECT GIFT FOR MOTHER’S DAY! Look at the front cover of any parenting book and what do you see? Glowing mothers-to-be, or pristine, beautifully-behaved children. But the reality is, your pregnancy might be a sweaty, moody rollercoaster, and your children will almost certainly spend the first few years of their lives covered in food, tears and worse. And the experience is no less magical for it. In this no-holds-barred collection of essays, prominent women authors, journalists and TV personalities explore the truth about becoming mothers. Covering topics from labour to the breastapo, twins to IVF, weaning to post-birth sex, and with writers including Cathy Kelly, Adele Parks, Kathy Lette and Lucy Porter (and many more), Things I Wish I'd Known is a reassuring, moving and often hilarious collection that will speak to mothers - and mothers-to-be - everywhere.

The Unwinding of the Miracle
Julie Yip-Williams 2019 Born blind in Vietnam, Julie Yip-Williams narrowly escaped euthanasia by her grandmother, and then fled the political upheaval of the late 1970s with her family. She made it to Hong Kong and, ultimately, America, where a surgeon at UCLA gave her partial sight. Against all odds, she became a Harvard-educated lawyer with a husband and two children. At age thirty-seven, Julie was diagnosed with terminal metastatic colon cancer. This book grew out of a blog Julie kept through the past four
years of her life.

**The Giant on the Skyline**  
Clover Stroud 2024-05-09 'Clover Stroud is a fearless explorer of the human heart, and a writer of incomparable grace and passion.' Elizabeth Gilbert 'Clover's writing is sensationally beautiful.' Laura Cumming 'Stroud's writing is knife-sharp, beautiful and profound.' Madeline Miller 'I love Clover Stroud's writing. It feels like she's mining for treasure, drilling down with lyrical prose, getting to the thing that makes us human.' Christie Watson

................................................................. What is it that makes a home? What is a home without the roots that tie you to a place? What is a home when a family is split? Clover's eldest children are leaving home for university. Her husband Pete's work is in America. The only way for Clover and the younger children to live with him is to uproot, leave their rural life near the ancient Ridgeway in Oxfordshire and move to Washington DC. Forced to leave the home she loves and consider these questions, Clover sets out to explore the place where she lives, walk the Ridgway, understand a little of the history of her landscape and work out why it is that it is so hard for her to go. In doing so she paints a beautifully layered portrait of family, community and of belonging in a landscape that has drawn people to it for generation after generation.

**The Undying**  
Anne Boyer 2019-09-17 WINNER OF THE 2020 PULITZER PRIZE IN GENERAL NONFICTION  
"The Undying is a startling, urgent intervention in our discourses about sickness and health, art and science, language and literature, and mortality and death. In dissecting what she terms 'the ideological regime of cancer,' Anne Boyer has produced a profound and unforgettable document on the experience of life itself." —Sally Rooney, author of Normal People  
"Anne Boyer’s radically unsentimental account of cancer and the 'carcinogenosphere' obliterates cliche. By demonstrating how her utterly specific experience is also irreducibly social, she opens up new spaces for thinking and feeling together. The Undying is an outraged, beautiful, and brilliant work of embodied critique." —Ben Lerner, author of The Topeka School  
A week after her forty-first birthday, the acclaimed poet Anne Boyer was diagnosed with highly aggressive triple-negative breast cancer. For a single mother living paycheck to paycheck who had always been the caregiver rather than the one needing care, the catastrophic illness was both a crisis and
an initiation into new ideas about mortality and the gendered politics of illness. A twenty-first-century Illness as Metaphor, as well as a harrowing memoir of survival, The Undying explores the experience of illness as mediated by digital screens, weaving in ancient Roman dream diarists, cancer hoaxers and fetishists, cancer vloggers, corporate lies, John Donne, pro-pain “dolorists,” the ecological costs of chemotherapy, and the many little murders of capitalism. It excoriates the pharmaceutical industry and the bland hypocrisies of “pink ribbon culture” while also diving into the long literary line of women writing about their own illnesses and ongoing deaths: Audre Lorde, Kathy Acker, Susan Sontag, and others. A genre-bending memoir in the tradition of The Argonauts, The Undying will break your heart, make you angry enough to spit, and show you contemporary America as a thing both desperately ill and occasionally, perversely glorious. Includes black-and-white illustrations

**Good Blood**
Julian Guthrie 2020-09-08 The New York Times–bestselling author of How to Make a Spaceship presents the remarkable, uplifting story of a life-saving medical breakthrough. In 1951 in Sydney, Australia, a fourteen-year-old boy named James Harrison was near death when he received a transfusion of blood that saved his life. A few years later, and half a world away, a shy young doctor at Columbia University realized he was more comfortable in the lab than in the examination room. Neither could have imagined how their paths would cross, or how they would change the world. In Good Blood, Julian Guthrie tells the gripping tale of the race to cure Rh disease, a horrible blood disease that caused a mother’s immune system to attack her own unborn child. The story is anchored by two very different men on two continents: Dr. John Gorman in New York, who would land on a brilliant yet contrarian idea, and an unassuming Australian whose almost magical blood—and his unyielding devotion to donating it—would save millions of lives. Good Blood takes us from research laboratories to hospitals, and even into Sing Sing prison, where experimental blood trials were held. It is a tale of discovery and invention, the progress and pitfalls of medicine, and the everyday heroics that fundamentally changed the health of women and babies.

Graham Salisbury 2014-09-09 Tomi was born in Hawaii. His grandfather and parents were born in Japan, and came to America to escape poverty. World War II seems far away from Tomi and his friends, who are too busy playing ball on their eighth-grade team, the Rats. But then Pearl Harbor is attacked by the Japanese, and the United States declares war on Japan. Japanese men are rounded up, and Tomi’s father and grandfather are arrested. It’s a terrifying time to be Japanese in America. But one thing doesn’t change: the loyalty of Tomi’s buddies, the Rats.
The Nature of Life and Death
Patricia E. J. Wiltshire 2019 A riveting blend of science writing and true-crime narrative that explores the valuable but often shocking interface between crime and nature--and the secrets each can reveal about the other--from a pioneer in forensic ecology and a trailblazing female scientist. From mud tracks on a quiet country road to dirt specks on the soles of walking boots, forensic ecologist Patricia Wiltshire uses her decades of scientific expertise to find often-overlooked clues left behind by criminal activity. She detects evidence and eliminates hypotheses armed with little more than a microscope, eventually developing a compelling thesis of the who, what, how, and when of a crime. Wiltshire's remarkable accuracy has made her one of the most in-demand police consultants in the world, and her curiosity, humility, and passion for the truth have guided her every step of the way. A riveting blend of science writing and true-crime narrative, The Nature of Life and Death details Wiltshire's unique journey from college professor to crime fighter: solving murders, locating corpses, and exonerating the falsely accused. Along the way, she introduces us to the unseen world all around us and underneath our feet: plants, animals, pollen, spores, fungi, and microbes that we move through every day. Her story is a testament to the power of persistence and reveals how our relationship with the vast natural world reaches far deeper than we might think.

The Blood Runs Like a River Through My Dreams
Nasdijj 2001-09-17 THE BLOOD RUNS LIKE A RIVER THROUGH MY DREAMS transports readers to the majestic landscapes and hard Native American lives of the desert Southwest and into the embrace of a way of looking at the world that seems almost like revelation. Born to a storytelling Native mother and a roughneck, song-singing cowboy father, Nasdijj has lived on the jagged-edged margins of American society, yet hardship and isolation have only brought him greater clarity--and a gift for language that is nothing short of breathtaking. Nasdijj tells of his adopted son, Tommy Nothing Fancy, of the young boy's struggle with fetal alcohol syndrome, and of their last fishing trip together. It is a heartbreaking story, written with great power and a diamondlike poetry. But whether Nasdijj is telling us about his son, about the chaotic, alternately harrowing and comical life he led with his own parents, or about the vitality and beauty of Native American culture, his voice is always one of searching honesty, wry humor, and a nearly cosmic compassion. While Nasdijj struggles with his impossible status as someone of two separate cultures, he also remains a contradiction in a larger sense: he cares for those who often shun him, he teaches hope though he often has none for himself, and he comes home to the land he then must leave. THE BLOOD RUNS LIKE A RIVER THROUGH MY DREAMS is the memoir of a man who has survived a hard life with grace, who has taken the past experience of pain and transformed it into a determination to care for the most vulnerable among us, and who has found an almost unspeakable beauty where others would find only sadness. This
is a book that will touch your soul.

**From Blood and Ash**
Jennifer L. Armentrout 2020-03-30 Captivating and action-packed, From Blood and Ash is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom’s future rests on Poppy’s shoulders, something she’s not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. Reviews for From Blood and Ash: "Dreamy, twisty, steamy escapism. Take me back!" -New York Times bestseller Wendy Higgins “Jennifer Armentrout has the power to control my emotions with every word she writes. From swooning to crying to racing through the pages to find out what happens next, I couldn't stop reading about Hawke and Poppy, and you won't be able to either.” - Brigid Kemmerer, New York Times Bestselling Author of A Curse So Dark and Lonely “Action, adventure, sexiness, and angst! From Blood and Ash has it all and double that. So many feels and so many moments it made me cheer for the character. Read. This. Book! You'll be obsessed!” - Tijan NYT bestselling author “From Blood and Ash is a phenomenal fantasy novel that is filled to the brim with danger, mystery and heart melting romance. I loved every single second of it and I couldn’t get enough of this new fantastical world. A heart stopping start to what is clearly going to be a stunning series, perfect for both those who love fantasy and those who are new to the genre. A must read.” Kayleigh, K-Books "If you think you are ready for From Blood and Ash, think again. Jennifer L. Armentrout has woven a new fantasy universe that will leave you reeling. The Wild Other
Clover Stroud 2017-02-09 SHORTLISTED FOR THE WAINWRIGHT PRIZE 'This story - so fierce and brave and visceral and raw - will stay with me forever. Clover Stroud is a force of nature, and a woman who is fearless in the face of life and death. I loved it.' Elizabeth Gilbert, author of Eat Pray Love 'An astonishing book about loss, love, darkness, pain, sex and adventure. I adore it.' Dolly Alderton 'There is so much richly evoked life here... beautifully written.' Cathy Rentzenbrink, The Times 'This redemptive memoir will steal your heart; it will return it bruised but emboldened.' Mail on Sunday 'I have huge admiration for the spirit of this memoir, and its author: full of heart, bravery and adventure. A moving, gripping read.' Amy Liptrot, author of The Outrun Clover Stroud grew up in rural Wiltshire surrounded by animals and family. When she was just sixteen her adored mother had a horrific riding accident which left her permanently brain-damaged, and suddenly Clover was left to fend for herself. She embarked on an extraordinary journey to heal her broken heart, courting men and danger through two marriages and five children. The Wild Other is a grippedly honest account of love, sex and travelling to the darkest edges of human experience and back again. Powerful and deeply emotional, this is the story of an extraordinary life lived at its fullest.
My Wild and Sleepless Nights
Clover Stroud 2020 'Raw, elemental and beautiful.' Telegraph 'This is quite simply the best book about motherhood I have ever read.' - Eleanor Mills in the Sunday Times
Mother to five children, Clover Stroud has navigated family life across two decades, both losing and finding herself. In her touching, provocative and profoundly insightful book, she captures a sense of what motherhood really feels like - how intense, sensuous, joyful, boring, profound and dark it can be. My Wild and Sleepless Nights examines what it means to be a mother, and reveals with unflinching honesty the many conflicting emotions that this entails: the joy and the wonder, the loneliness and despair. MORE PRAISE FOR CLOVER STROUD: 'Clover's expertise is writing about family life in a way that feels both new and entirely familiar' - Pandora Sykes 'As tender, blazing, funny and unflinching as the love it describes. I want to give this triumphant book to every mother I know' - Rachel Joyce 'Stroud is always willing to rip open her very soul in order to reveal the truth about her life - and every time a woman tells the truth like this, it sets another woman free' - Elizabeth Gilbert 'I read in one greedy gulp and am still slightly reeling. Extraordinary writing... For mothers and those even vaguely interested in family dynamics it is fascinating' - Alexandra Heminsley
Charting the course of one year, the first in her youngest child's life, Clover searches for answers to questions that many of us would be too afraid to admit to - not only about motherhood, but also about female sexuality and identity. Her story will speak to all mothers, and anyone about to embark on that journey.

When Grief Equals Love
Lizzie Pickering 2023-05-11 When Lizzie Pickering's young son Harry died in 2000, she set out on a journey to understand how she could survive her grief and learn to live with it. In When Grief Equals Love, she details the lessons she’s learned from her own experiences and those of others, who share their thoughts in this moving and tender book. Lizzie opens her diaries, written in the early years after Harry’s death, revealing her observations on the grief of his siblings and family, what helped and what hurt. Revisiting those diaries, she reflects on time passing, and what has changed for her and her family since. Lizzie looks at the myth of closure, survivor’s energy and cumulative grief – when life experiences pile up and become too much to bear. She includes interviews with bereaved friends, who share their own insights, and she provides a toolkit based on what has helped her and what she recommends to those she now helps with grief guidance. In most lives, unfortunately, grief and loss are inevitable. But living with grief can still be living. This book is for those going through grief and anyone who might need to support them. There are no easy answers, but nobody should have to cope alone.

Death in Her Hands
Ottessa Moshfegh 2020-06-23 "[An] intricate and unsettling new novel . . . Death in Her Hands is not a murder mystery, nor is it really a story about self-deception or the perils of escapism. Rather, it's a haunting meditation on the nature and meaning of art." -Kevin Power, The New Yorker From one of our most ceaselessly provocative literary talents, a novel of haunting metaphysical suspense about an elderly widow whose life is upturned when she finds an ominous note on a walk in the woods. While on her daily walk with her dog in a secluded woods, a woman comes across a note, handwritten and carefully pinned to the ground by stones. "Her name was Magda. Nobody will ever know who killed her. It wasn't me. Here is her dead body." But there is no dead body. Our narrator is deeply shaken; she has no idea what to make of this. She is new to this area, alone after the death of her husband, and she knows no one. Becoming obsessed with solving this mystery, our narrator imagines who Magda was and how she met her fate. With very little to go on, she invents a list of murder suspects and possible motives for the crime. Oddly, her suppositions begin to find correspondences in the real world, and with mounting excitement and dread, the fog of mystery starts to fade into menacing certainty. As her investigation widens, strange dissonances accrue, perhaps associated with the darkness in her own past; we must face the prospect that there is either an innocent explanation for
all this or a much more sinister one. A triumphant blend of horror, suspense, and pitch-black comedy, Death in Her Hands asks us to consider how the stories we tell ourselves both reflect the truth and keep us blind to it. Once again, we are in the hands of a narrator whose unreliability is well earned, and the stakes have never been higher.

All Blood Runs Red
Phil Keith 2019-11-05 The incredible story of the first African American military pilot, who became a spy in the French Resistance and an American civil rights pioneer. Winner of the Gold Medal for Memoir/Biography from the Military Writers Society of America A New York Times Book Review Editors’ Choice Eugene Bullard lived one of the most fascinating lives of the twentieth century. The son of a former slave and an indigenous Creek woman, Bullard fled home at the age of eleven to escape the racial hostility of his Georgia community. When his journey led him to Europe, he garnered worldwide fame as a boxer, and later as the first African American fighter pilot in history. After the war, Bullard returned to Paris a celebrated hero. But little did he know that the dramatic, globe-spanning arc of his life had just begun. All Blood Runs Red is the inspiring untold story of an American hero, a thought-provoking chronicle of the twentieth century and a portrait of a man who came from nothing and by his own courage, determination, gumption, intelligence and luck forged a legendary life. “A whale of a tale, told clearly and quickly. I read the entire book in almost one sitting.” —Thomas E. Ricks, The New York Times Book Review “All Blood Runs Red should be required reading for anyone who has ever dreamed big. A truly inspiring and uplifting story of courage and triumph, and an opus for an unsung hero.” —Nelson DeMille “Dazzling . . . This may be a biography, but it reads like a novel.” —Publishers Weekly (starred review)

Darrow is a Red, a member of the lowest caste in the color-coded society of the future. Like his fellow Reds, he works all day, believing that he and his people are making the surface of Mars livable for future generations. Yet he toils willingly, trusting that his blood and sweat will one day result in a better world for his children. But Darrow and his kind have been betrayed. Soon he discovers that humanity reached the surface generations ago. Vast cities and lush wilds spread across the planet. Darrow—and Reds like him—are nothing more than slaves to a decadent ruling class. Inspired by a longing for justice, and driven by the memory of lost love, Darrow sacrifices everything to infiltrate the legendary Institute, a proving ground for the dominant Gold caste, where the next generation of humanity’s overlords struggle for power. He will be forced to compete for his life and the very future of civilization against the best and most brutal of Society’s ruling class. There, he will stop at nothing to bring down his enemies . . . even if it means he has to become one of them to do so. One Blood
Spencie Love 2000-11-09 One Blood traces both the life of the famous black surgeon and blood plasma pioneer Dr. Charles Drew and the well-known legend about his death. On April 1, 1950, Drew died after an auto accident in rural North Carolina. Within hours,
rumors spread: the man who helped create the first American Red Cross blood bank had bled to death because a whites-only hospital refused to treat him. Drew was in fact treated in the emergency room of the small, segregated Alamance General Hospital. Two white surgeons worked hard to save him, but he died after about an hour. In her compelling chronicle of Drew's life and death, Spencie Love shows that in a generic sense, the Drew legend is true: throughout the segregated era, African Americans were turned away at hospital doors, either because the hospitals were whites-only or because the 'black beds' were full. Love describes the fate of a young black World War II veteran who died after being turned away from Duke Hospital following an auto accident that occurred in the same year and the same county as Drew's. African Americans are shown to have figuratively 'bled to death' at white hands from the time they were first brought to this country as slaves. By preserving their own stories, Love says, they have proven the enduring value of oral history. General Interest/Race Relations

Milk Blood Heat
Dantiel W. Moniz 2021-02-02 “Moniz sings of Florida, girlhood, family, loss, and the glorious, ecstatic, devastating human body. A gorgeous debut from a wickedly talented new writer.” —Lauren Groff, New York Times–bestselling author Named a Best Book of the Year by The Atlantic, TIME, Washington Independent Review of Books, Kirkus, Chicago Public Library, Library Journal, Literary Hub, Audible, Largehearted Boy, Entropy, Millions, and Tampa Bay Times Set among the cities and suburbs of Florida, each story in Milk Blood Heat delves into the ordinary worlds of young girls, women, and men who find themselves confronted by extraordinary moments of violent personal reckoning. These intimate portraits of people and relationships scour and soothe and blast a light on the nature of family, faith, forgiveness, consumption, and what we may, or may not, owe one another. A thirteen-year-old meditates on her sadness and the difference between herself and her white best friend when an unexpected tragedy occurs; a woman recovering from a miscarriage finds herself unable to let go of her daughter—whose body parts she sees throughout her daily life; a teenager resists her family’s church and is accused of courting the devil; servers at a supper club cater to the insatiable cravings of their wealthy clientele; and two estranged siblings take a road-trip with their father’s ashes and are forced to face the troubling reality of how he continues to shape them. Wise and subversive, spiritual and seductive, Milk Blood Heat forms an ouroboros of stories that bewitch with their truth, announcing the arrival of a bright new literary star. “A fresh feel for the intensity and contradictions of girlhood sings across tough stories.” —Entertainment Weekly

Autobiography of Red
Anne Carson 2013-03-05 The award-winning poet reinvents a genre in a stunning work
that is both a novel and a poem, both an unconventional re-creation of an ancient Greek myth and a wholly original coming-of-age story set in the present. Geryon, a young boy who is also a winged red monster, reveals the volcanic terrain of his fragile, tormented soul in an autobiography he begins at the age of five. As he grows older, Geryon escapes his abusive brother and affectionate but ineffectual mother, finding solace behind the lens of his camera and in the arms of a young man named Herakles, a cavalier drifter who leaves him at the peak of infatuation. When Herakles reappears years later, Geryon confronts again the pain of his desire and embarks on a journey that will unleash his creative imagination to its fullest extent. By turns whimsical and haunting, erudite and accessible, richly layered and deceptively simple, Autobiography of Red is a profoundly moving portrait of an artist coming to terms with the fantastic accident of who he is. 25th ANNIVERSARY EDITION • From the bestselling author of The Passenger and the Pulitzer Prize–winning novel The Road: an epic novel of the violence and depravity of the American frontier.
that attended America's westward expansion, brilliantly subverting the conventions of the Western novel and the mythology of the Wild West. Based on historical events that took place on the Texas-Mexico border in the 1850s, Blood Meridian traces the fortunes of the Kid, a fourteen-year-old Tennessean who stumbles into the nightmarish world where Indians are being murdered and the market for their scalps is thriving. Look for Cormac McCarthy's latest bestselling novels, The Passenger and Stella Maris.

THE PERFECT GIFT FOR MOTHER'S DAY!

Look at the front cover of any parenting book and what do you see? Glowing mothers-to-be, or pristine, beautifully-behaved children. But the reality is, your pregnancy might be a sweaty, moody rollercoaster, and your children will almost certainly spend the first few years of their lives covered in food, tears and worse. And the experience is no less magical for it. In this no-holds-barred collection of essays, prominent women authors, journalists and TV personalities explore the truth about becoming mothers. Covering topics from labour to the breastapo, twins to IVF, weaning to post-birth sex, and with writers including Cathy Kelly, Adele Parks, Kathy Lette and Lucy Porter (and many more), Things I Wish I'd Known is a reassuring, moving and often hilarious collection that will speak to mothers - and mothers-to-be - everywhere.

What is it that makes a home? What is a home without the roots that tie you to a place? What is a home when a family is split? Clover's eldest children are leaving home for university. Her husband Pete's work is in America. The only way for Clover and the younger children to live with him is to uproot, leave their rural life near the ancient Ridgeway in Oxfordshire and move to Washington DC. Forced to leave the home she loves and consider these questions, Clover sets out to explore the place where she lives, walk the Ridgway, understand a little of the history of her landscape and work out why it is that it is so hard for her to go. In doing so she paints a beautifully layered portrait of family, community and of belonging in a landscape that has drawn people to it for generation after generation.

The Unwinding of the Miracle - Julie Yip-Williams 2019
Born blind in Vietnam, Julie Yip-Williams narrowly escaped euthanasia by her grandmother, and then fled the political upheaval of the late 1970s with her family. She made it to Hong Kong and, ultimately, America, where a surgeon at UCLA gave her partial sight. Against all odds, she became a Harvard-educated lawyer with a husband and two children. At age thirty-seven, Julie was diagnosed with terminal metastatic colon cancer. This book grew out of a blog Julie kept through the past four years of her life.

**All Blood Runs Red** - Phil Keith
2019-11-05

Eugene Bullard lived one of the most fascinating lives of the twentieth century. The son of a former slave and an indigenous Creek woman, Bullard fled home at the age of eleven to escape the racial hostility of his Georgia community. When his journey led him to Europe, he garnered worldwide fame as a boxer, and later as the first African American fighter pilot in history. After the war, Bullard returned to Paris a celebrated hero. But little did he know that the dramatic, globe-spanning arc of his life had just begun. All Blood Runs Red is the inspiring untold story of an American hero, a thought-provoking chronicle of the twentieth century and a portrait of a man who came from nothing and by his own courage, determination, gumption, intelligence and luck forged a legendary life. “A whale of a tale, told clearly and quickly. I read the entire book in almost one sitting.” —Thomas E. Ricks, The New York Times Book Review “All Blood Runs Red should be required reading for anyone who has ever dreamed big. A truly inspiring and uplifting story of courage and triumph, and an opus for an unsung hero.” —Nelson DeMille “Dazzling . . . This may be a biography, but it reads like a novel.” —Publishers Weekly (starred review)

'MUST READ ... A remarkable account of love and grief.' - DAILY MAIL 'She is a vigorous and fearless writer, grabbing us by the throat to describe life's horrors and her responses to them, filling her pages with the magnetic force of her own life as wife, lover and mother of five which somehow has to go on.' SPECTATOR 'With brutal, beautiful honesty, Clover articulates how bereavement shocks and dislocates - and in all the pain, there's SO much life.' MARIAN KEYES ............................................... 'Can death bring something good to my life?' A few weeks before Christmas, Clover's sister died of breast cancer, aged forty-six. Just
days before, she had been given years to live. Her sudden death split Clover's life apart. The Red of My Blood charts Clover's fearless passage through the first year after her sister's death. It is a book about what life feels like when death interrupts it, and about bearing the unbearable and describing an experience that seems beyond words. Lyrical, hopeful, it is also about the magical way in which death and life exist so vividly beside one another, and the wonder of being human. 'A beautiful addition to the literature of loss. It will serve as a lit match, to be passed from one person to the next in the darkest moments.'

When Grief Equals Love - Lizzie Pickering
2023-05-11

When Lizzie Pickering's young son Harry died in 2000, she set out on a journey to understand how she could survive her grief and learn to live with it. In When Grief Equals Love, she details the lessons she's learned from her own experiences and those of others, who share their thoughts in this moving and tender book. Lizzie opens her diaries, written in the early years after Harry’s death, revealing her observations on the grief of his siblings and family, what helped and what hurt. Revisiting those diaries, she reflects on time passing, and what has changed for her and her family since. Lizzie looks at the myth of closure,

survivor’s energy and cumulative grief - when life experiences pile up and become too much to bear. She includes interviews with bereaved friends, who share their own insights, and she provides a toolkit based on what has helped her and what she recommends to those she now helps with grief guidance. In most lives, unfortunately, grief and loss are inevitable. But living with grief can still be living. This book is for those going through grief and anyone who might need to support them. There are no easy answers, but nobody should have to cope alone.

**Blood Heir** - Amélie Wen Zhao 2019-11-19
The first book in an epic new series about a princess hiding a dark secret and the con man she must trust to clear her name for her father's murder. In the Cyrilian Empire, Affinites are reviled. Their varied gifts to control the world around them are unnatural—dangerous. And Anastacya Mikhailov, the crown princess, has a terrifying secret. Her deadly Affinity to blood is her curse and the reason she has lived her life hidden behind palace walls. When Ana's father, the emperor, is murdered, her world is shattered. Framed as his killer, Ana must flee the palace to save her life. And to clear her name, she must find her father's murderer on her own. But the Cyrilia beyond the palace walls is far different from the one she thought she knew. Corruption rules the land, and a greater conspiracy is at work—one that threatens the very balance of her world. And there is only one person corrupt enough to help Ana get to its core: Ramson Quicktongue. A cunning crime lord of the Cyrilian underworld, Ramson has sinister plans—though he might have met his match in Ana. Because in this story, the princess might be the most dangerous player of all. Fuel your The Red Of My Blood A Death And Life Story curiosity with classes

Expand your horizons by taking a class on a topic that ignites your passion. Whether it's delving into history, unraveling scientific mysteries, or exploring the beauty of art, learning alongside others deepens your understanding and opens doors to exciting new avenues.

Is there a burning question lurking in your mind? A passion yearning to be explored? Look no further than the enchanting world of classes! Classes offer a kaleidoscope of possibilities, ready to fuel your curiosity and illuminate hidden facets of your potential.

Imagine: Embarking on a thrilling historical voyage, unmasking the secrets of ancient civilizations and the whispers of bygone
eras. Classes become time machines, transporting you to the dusty streets of Rome, the majestic halls of Versailles, or the vibrant energy of the Renaissance. With every lesson, you'll weave through narratives of daring conquests, artistic revolutions, and the triumphs of human spirit – each tale enriching your present with the wisdom of the past.

Or perhaps: You hunger for the unraveling of scientific mysteries. Classes can become your laboratory, your launchpad into uncharted territories of discovery. Picture yourself peering into the intricate dance of atoms, dissecting the marvels of the human body, or unraveling the secrets of the cosmos. From the microscopic depths of a cell to the boundless reaches of space, classes unlock the universe's hidden blueprints, empowering you to understand the symphony of life itself.

But wait, there's more! Classes aren't just about facts and figures. They're an artistic canvas, a playground for the creative soul. Immerse yourself in the world of brushstrokes and melodies, learning from seasoned masters and fellow passionate souls. Let your fingers dance across a keyboard, coaxing out symphonies, or lose yourself in the vibrant hues of a watercolor sunset. The possibilities are endless – a sculptor shaping clay into dreams, a poet weaving words into tapestries of emotion, a dancer expressing the universe's unspoken language.

In the vibrant ecosystem of a class, you're not alone. You'll find yourself surrounded by a community of kindred spirits, all fueled by the same spark of curiosity. Imagine lively discussions under the soft glow of lamplight, where ideas ignite and minds dance in a tango of knowledge. Collaborative projects become playgrounds for shared exploration, while friendly competition pushes you to reach new heights. These connections extend beyond the walls of the classroom, weaving a tapestry of friendships and a support system that will forever nourish your intellectual journey.

So, what are you waiting for? The world of classes beckons, overflowing with the nectar of knowledge and the intoxicating aroma of self-discovery. Choose your adventure, dive headfirst into your passions, and watch your curiosity evolve into a blazing inferno of understanding. Classes are the fuel, and you hold the spark.
